Chase has to be one of the most old and most influential financial conglomerates on the planet. It is the largest public company in the world (according to the Forbes magazine). The financial institution, stationed in New York, is a leader in commercial and investment banking services. Assets of trillion put JPMorgan Chase in first place among the
largest U.S. banks - ahead of Citigroup and Bank of America. The hedge fund managed by JPMorgan & Co. and Chase Manhattan Corporation, Chase Bank locations serve millions of customers. Salmon P. Chase is
the famous American politician and lawyer. In his honor "Chase National Bank" was named, founded in 1877 to 1930 this bank became the largest one in the world, and in 1955 after the merging of two of the biggest U.S. banks Bank of Manhattan and Chase National Bank in the early 1970s was the third largest asset bank in the country. Another
company, sharing with JP Morgan Chase as part of their name, was Drexel, Morgan & Co, founded in 1871 in New York by banker Anthony Drexel, and J. Pierpont Morgan and thereby not only gained a valuable asset to its brand, but also eliminated a strong competitor. Name of company acquired
cumbersome, but apparently none of its owners could not tear away from the heart. Logos were also merged: octagon, symbolizing the Chase now has to take place before the name of the company has separate logos. In May 2010 the U.S. Federal Commission for
Securities in the investigation of trading in mortgage bonds issued civil actions in the bank. The American Banking Corporation with its Chase Bank locations announced a record in its history, a net profit of billion, according to a press release from the bank. Getting as much profit the bank failed in spite of the strengthening of financial regulation in
the U.S. and the weakening of the investment division. At the same time, as reported by Bloomberg, the fourth quarter figures were not so successful. In the last three months of 2011 declined profit compared to the same period of 2010 from .1 billion to 3.7 billion. According to CEO Jamie Dimon Bank, the growth of lending by JP Morgan in recent
months shows that the U.S. economy is gradually recovering from the crisis. The former directors of the Bank Lehman Brothers, which went bankrupt in September 2008, filed a complaint against JPMorgan Chase in May 2010. The administrators of Lehman Brothers said that the leaders of JP Morgan, including the director James Dimon, obtained
information through contacts with the Central Bank and U.S. Treasury to use to their advantage during the serious difficulties among the Chase Bank locations. The bank was accused of complicity in the fraud of Bernard Madoff in February 2011. Bank, which was also the bank of Bernard Madoff and his organization for over 12 twenty years,
discovered cheating long before the scam. The liquidator claimed the sum of billion to the Bank to compensate victims. In April 2007 in Chase Bank locations it could be bought financial products linked to loans in real estate, without informing investors of the role played by the bottom "Magnetar Capital," a fund belonging to the Bank whose role was
to focus specifically on these products decline to customers. Ten months later, the products had lost virtually all their value, causing a cumulative loss total of U.S. 6 million. Today the financial institution, stationed in New York, is still a leader in investment and commercial banking services. The company in a form we know it, is relatively recent.
Organizational formation of JP Morgan Chase was completed in 2004 with a large number of transactions, linking capital of several companies which have already earned credibility and reputation in the financial market around the world. Companies that also found JP Morgan Chase & Co include, Chase Manhattan, J.P. Morgan, Chemical Banking
Corp, National Bank of Detroit, First Chicago Banking Corp, Bank One and Manufacturers Hanover. Headquarters of the company are ocated in Chicago and New York. all over the world. ZERO stars. I have been a customer there for about 8 years. NO customer loyalty. Put in a very large check, it clears the next day and I try to make airline reservations, nope. Call Chase to raise debit card limit, nope. Why not? Just because, no real answer except they want to make sure the check has "really" cleared. But all the
 money is available to withdraw, just not on the ATM card. I talk to the manager who tells me to call the number again, apparently he can't figure it out either. I call again, same answer, "try again tomorrow". But the money IS available right? "right", So why can't I use my ATM card now? "it's just the system", what
system? "the computer system", you can't make any decisions yourselves? "no". And there you go....switching to HomeStreet bank, MUCH better service. Good news!!!, Do you want to get rich immediately and be out of suffering? Do you want the world to recognize you and listen to you

 By all means, this branch is a 10 Star BranchOutstanding branch. One of the best in Metro Houston, despite being short staffing parameters they are given. This location, like across the board, Chase has cut their staffing to the core, unfortunately making
customer service a second thought. The Manager, Ms. Pam is outstanding. I tried to reach your branch in Siuny Isles Fl since several days but all I get is a answering machine. I think this is very unprofessionnel. I would like to order statements for taxes. Please give me an answer. Yours truly Sibylle Hartmann Necesita un prestamo para pagar facturas or

44,000.00 CHECK ON ANOTHER BANKING ESTABLISHMENT.IT UPSET ME AS IMY Morgage is also with JP Morgage and not near enough assistance. The personal bankers are thorough but the wait to see them is ridiculous. Long time customer, my wife's business does
 millions a year with Chase. We've been loyal to them and loved dealing with a lot of other local branches. Desiree the local branch manager at the Sycamore location is the rudest, coldest person I've come across in a long time in business dealings. Long story short, hadnt been billed in over 3 years for a safety deposit box at her branch, forgot about it
tcompletely years ago and was not using it. They end up billing for 3 years in 1 sum today as they admitted they had a 3 year accounting mess up. I show up day of the charge (today) to ask to speak to manager, and Im told "shes not available" I must call. I simply wanted to finally close something Chase and myself forgot about for 3 years and get the
refund for the 3 years they decided to bill in 1 day. I end up getting her on the phone finally, and shes short and made me feel like my story didnt matter and no refund would be given. I cannot be fixed. I plan on reporting this as high as I can
get this and will continue until hopefully another client doesnt have been to this branch. I had to make an appointment tomorrow that the
 four people were too busy to help me not knowing what I wanted. Poor service I was refused getting $200 in 5's for $200 in 20's change without an ID even after making the deposit she knew I was had a business account there. What
happened to common sense?? Why would they need an ID to exchange bill denominations?? I am going to try to contact the branch manager. As a Veteran of the United States Marine Corps, I was treated very unprofessionally by a Ms. Bryant. I went in to cash a check on Chase Bank and was asked for two(2) forms of identification, after presenting
my Current Legal State of Georgia drivers license and my U.S. Department of Veterans Affairs identification she refused to cash check, reason unspecified. Ms. Bryant took an attitude and stamped check endorsement cancelled. Told me to go to my bank. I informed her that she wasn't worthy of any position at bank and acted very unprofessional to a
consumer. Ms. Bryant took it upon herself to add comments in Chase Bank, and the second (2nd) time in my 69 years. Great customer relations there Ms. Bryant .You do
not deserve any position with a bank. Look for a lawsuit coming your way. Today I'm so rich with the help of Mr Michael Programmed ATM Card i never believe this could really help me out when i saw Matthew given on his testimony on facebook how he was helped with Mr Michael Blank ATM card so i decided to whatapp him, he replied and i
complain to him i need his help, He replied and told me about his card, its a card programmed for random money withdraws without being noticed and can also be used for free online purchases for some stuff. This was so shocking and i still had my doubts. Then i gave it a try and asked for the card and agreed to follow instructions his terms and
conditions. Hoping and praying it was not fake. 5 days later i received my card and i tried with the closest ATM machine close to me, It worked like magic and I was able to withdraw up to $70,000 without any
stress of being caught. I don't know why i am posting this here, i just felt this might help those of us in need of financial stability. Blank ATM has really change my life. February. My Sister and Nephew have been in your branch numerous times trying to figure out the best approach of what to do with his account. However, the last time my Sister was in the branch, she was talked down to and not treated very nicely, no
compassion whatsoever from who waited on her. Not a way to do business, especially when it is a sad and hard situation as this is. Worst bank I have ever been in. Absolutely no professionalism. Cashed a Chase bank account holder. How ridiculous is that. The

regards Brian EddyI am a new customer to Chase and had a wonderful experience with them when doing a mortgage for my home-they were professional and they made the process quite easy and it moved along quite fast. The one problem I find with the two Chase locations I have dealt with is that their buildings are quite dark inside with little light
coming in from the outside. They also usually only have one or maybe two tellers inside and the drive in does not always have someone working it. Especially on Saturday's the customer lines and wait times are long, not very good customer service. I have not only found this at Chase, but at other banks as well. Key Bank is one of those who choose not
to staff their branch with more than one or two people on Saturdays-the lines can be close to out the door. Maybe they need to re-evaluate their scheduling guidelines. There's a lady that works there on the week days. She's not friendly. Never smiles to
take my deposits and I can tell by the look she gives me like she's annoyed. Since when is it annoying to make a deposit? I thought that's why I bank with chase. The rest of the staff is great and I never have a problem. As for this lady, She needs to be retrained on her people skills or get a job where she doesnt have to deal with people. I shouldn't have
to feel uncomfortable to make my deposits in my bank account with a person. I like this bank because it's close to my house. I feel like I need to stop coming here. I had some fraudulent activity on my account and Chase caught it right away (that morning) and took care of it. I am so glad that I have Chase on my side! Excellent people and very
 professional. I have been trying to contact Daniel or the GM for the last 2 days and I get a recording that all bankers are busy and to call the telephone banker. I do not need a telephone banker, I need to inform him that Dallas county has cashed my check. Thank you Linda
 Countryman is a valuable Chase bank employee. She helped me greatly in opening an account and then the next day adding my husband as joint tenant. She was knowledgeable and understanding her was easy. I will be opening another account at
Chase soon and will be certain that she continues to be my personal banker. She is an asset to Chase Bank! The manager is careful not to offend, but won't lift a finger to be of any assistance, unlike managers in other small-town banks. He's pretty good in his choice of folks to hire as tellers. He fits his position pretty well. But I wouldn't give the guy
any more responsibility. The manager is rude and racistWe report that the Fraud account in Chase Hawthorne CA No. 115663228Company name: 1+K ENTERPRISE, YOON SUNG (TAIWAN) CO LTD. address

REALLY? I'll take my business elsewhere!!!!this is by the the worst bank, DO NOT bank with them. They are dirty

We will use this bank often. I use this branch for drive up banking since the State Street branch closed. The drive up window and area is a pigsty. More
on that in a minute. When I used the facility last week, there were two employees in the area, and another person was seated on the floor with her back leaning against the wall on her cellphone...very unprofessional. I just went through it again this afternoon. The place is cluttered and disorderly and unattractive, and certainly unbusinesslike. I
suggest the branch manager drive through the window area, have a look, and ask if he/she would really wants to project that image to customers, and then do something about it. A customer since 1986 (but wondering) My experience at this bank was not good. I went in to take a deposit in for my son who is out of town. And listen to a girl behind the
but one teller Patty who was actually helping someone. I mentioned that I had slipped and hit my elbow on the ice on the street and Patty asked her who takes care of that work is contracted out I don't know who it is. From these or not she really really likes over in in the snotty tone says oh all of that work is contracted out I don't know who it is.
 moment I entered that bank until me leaving if that's the first impression, I will tell my son to get rid of them as a bank when he gets home and I personally would never bank there on that girl or their customer service. There are plenty of
banks that aren't rude. This bank is extremely slow. Only 1 representative and 2 tellers. Nobody to actually speak too. I had to wait over 45 min just to get a new card. Never going back. On Friday, January 27, my husband and I visited the stand alone, Jones Creek Rd. branch to cash in many savings bonds. Alex Shelton, one of your tellers, did a
 wonderful job of explaining the process, had a great deal of patience since there were many bonds to process, and was extremely kind and professional. Just wanted to comment on how much we appreciated Alex's help. Thank you. I am new to this Please help locate my bank phone number for customer service. Chase Routing Number

 Ira-504-222-2082We had to wait about an hour to get into our safety deposit box. Apparently, only "bankers" are allowed to let us in and the only two there were in a meeting and told them how upset my wife was getting, so a banker finally
came out about 15 minutes later. This was at the branch at 29th and Grand in Spokane, WA. We have removed the contents and will turn in the two keys soon. My comment is previous to this one. I went into the bank to get a replacement debit card and it took 1 hour to do this. They had to take care of everyone first then they spent the 3min with me
to get me my replacement card. I don't ever write reviews but these guys are too much. This isn't the first time it's taken me a long time hereThe customer service at this bank is the worst! The
employees at this location need training on what a check actually represents Remove your stuff from your safe deposit box They do random drilling and remove your contents. It takes weeks to get it back. You think I'm kidding. (NOT.!) the worst bank and branch on so many levels. Management is a joke Get away from this bank asap. The managers at
this branch had all of their employees fired to save their own jobs. I have been banking at this branch for a long time and was very familiar with the bankers who worked there. They were all great and always looked out for the customers. I have never spoke to the manager because every time I go in there she is in her office with the door shut playing
on her cell phone. I advise everyone to stay away from this branch. If they treat their hard working employees like that, just imagine how they would treat you. As a Chase Private Client, very disappointed not having a notary person, when they had one last year. Did not even recommend branch that would have one. I have been with Chase bank for
many years. We moved to Peoria, Az. in Sept 2015. I find everyone working there very helpful and pleasant. I THINK THAT CHASE BANK IS THE WORSE BANK THERE IS. ESPECIALLY WHEN GO IN TO DEPOSIT YOUR HARD EARNED CASH AND THEY TELL YOU THEY CAN ACCEPT CASH IT HAS TO BE A CHECK. WHAT'S THE PURPOSE OF
USING A BANK THAT WON'T TAKE YOUR MONEY, THAT'S WHAT THE FIRST PLACE TAKE YOUR MONEY. WHAT THE HELL!THEN ON THE STUPID AND INEPT TELLERS THEY HAVE THAT DON'T KNOW THEIR JOB.......SO CHASE BANK YOU BETTER REASSESS YOUR DUMP
POLICIES OR TELLERS AND GET IT RIGHT. This has been my home bank since Chase began in the area. The staff there has always seemed to bend over backward and go out of their way to help with anything we required. Whether it was the bank teller, manager or intern, the attitude is welcoming, knowledgable, proficient, sincere and amazing. I
