He was about 5 foot 10 inches tall but immensely powerful. Taken together, the new biotechnologies and the pending scientific insights will be immensely powerful. Jack was never flurried his cool, unruffled play was a hallmark of his game, along with some immensely powerful clearances. Sometimes I would feel immensely powerful, feel that I, single-handedly, might change the course of Woolf scholarship. The financial markets are themselves an immensely powerful influence which we can never afford to ignore. But there still remained immensely powerful ministers who led the fight for increased public investment and spending measures to cut unemployment. Meanings Synonyms Sentences powerfuller, po (pour-fl)adj.1. Having or capable of exerting power.2. Effective or potent: a powerful drug.3. Chiefly Upper Southern US Great: "[Everybody had] a powerful lot to say about faith and good works and free grace ... and I don't know what all" (Mark Twain).adv. Chiefly Upper Southern US Very: It was powerful humid.Our Living Language In the Upper Southern United States the words powerful and mighty are intensives used frequently in the same way as very: Your boy's grown powerful lot of harm. In the same dialect region the noun power has, in addition to its standard meaning the sense of "a large number or amount." This sense appears in the Oxford English Dictionary as common in dialectal British English of the 1700s and 1800s: "It has done a power of work" (Charles Dickens). All these derivative senses of power and might take advantage of the notion of strength inherent in these nouns, making them natural intensives. Link to this page: Again, the prince who holds a country differing in the above respects ought to make himself the head and defender of his less powerful as himself shall, by any accident, get a footing there; for it will always happen that such a one will be introduced by those who are discontented, either through excess of ambition or through fear, as one has seen already. Then each sheet of the water, from the lowest to the highest, running off into escape tubes toward the top of the projectile, constituted a kind of spring; and the wooden disc, supplied with extremely powerful plugs, could not strike the lowest plate except after breaking successively the different partitions."And would it be indiscreet to ask you the name of this powerful protector?"Conflicting mean, the weal, and the eigh account to ask you the name of this powerful, the noble, the strong, and the well-constituted on the one side, and the impotent, the mean, the weak, and the ill-constituted on the other. It may be said that it would tend to render the government of the Union too powerful, and to enable it to absorb those residuary authorities, which it might be judged proper to leave with the States for local purposes. But if the men of property in the state are but few, and their property is large, then an oligarchy of the second sort will take place; for those who have most power will think that they have a right to lord it over the others; and, to accomplish this, they will associate to themselves some who have an inclination for public affairs, and as they are not powerful enough to govern without law, they will make a law for that purpose. I knew this, in a measure then, as I know it now, and yet neither the literary pride I was beginning to have in the perception of such things, nor the powerful appeal it made to my sympathies, sufficed to impassion me of it.
