Welcome to Kenmore We're here to help! Click below below to get started! Every household is different, and it's difficult to find the perfect refrigerator. Knowing what features make your life easier is an important step in shopping for a new fridge. Kenmore refrigerators include features like GeniusCool, phone integration, ice makers, and water dispensers. Large families love french door refrigerators. The wide shelves and deep buckets allow for easy access to food. A great option if you cook often or are rushing out of the house. Opt for a side-by-side refrigerator if you want an ice machine, water dispenser and a large freezer. Top freezer refrigerators are for those looking for a classic approach. These fridges emphasize a convenient freezer location and smaller footprint. If you don't use the freezer a lot, then the bottom freezer fridge is for you. Bottom freezer refrigerators put the fridge and your fresh food in focus. Often stay late at the office? Moving to the dorms? Then check out our mini fridge options. Mini fridges are great for storing soda, microwavable meals, and other small foods. Freezerless refrigerators are for those who either have a chest freezer or a lot of spare space. Without a built-in freezer, there's plenty of room for fresh food. Finding a refrigerator that matches the door of your kitchen is a factor that you should not ignore. Kenmore refrigerators come in many colors and finishes, including white, black, and bisque. Smudge-resistant stainless steel is also available. . Check out the Kenmore refrigerator buying guide here for more information!
