Spielvogel Best-selling WESTERN CIVILIZATION has helped more than one million users learn about the present by exploring the past. Jackson Spielvogels engaging, chronological narrative weaves the political, economic, social, religious, intellectual, cultural, and military aspects of history into a gripping story that is as memorable as it is instructive. The clear narrative of a single gifted author makes it easy to follow the story of Western civilization. Editorial Reviews: Review Of all the texts that I have read and used, Spielvogel provides the best overall summary. It is more balanced than any other text and its straightforward chronological approach is most suited to introductory students.I prefer Spielvogel to [other texts]. First of all, WESTERN CIVILIZATION has one author and reads better as a result. The reading experience is more seamless for my students. [One text] didnt have enough detail, while [another text] had too much at times, or so my students claimed. Spielvogel has just the right balance.Bay College adopts Spielvogel because it is THE text for Western Civilization. Other texts are adequate but Spielvogel presents an INTRODUCTORY view that covers the Core Concepts. Spielvogel is not too political, not too religious, not too economy-focused.
