Android live TV apps for streaming and watching free internet TV. Enjoy the best channel TV apps on your device with free live TV apps. Are you looking for great apps to watch free live TV on your Android smartphone. Then, today DigitBin has introduced the best in the list of free streaming apps for Android devices. Most of these apps don't stream TV shows from their own servers, but rather browse internet directories to stream online TV channels. Below is a list of some of the best Android apps for streaming live TV online over Wi-Fi or cellular. Many online streaming applications on the web are deceptive and simply try to inject malware into your device. These applications require permissions that are not required for their normal operation. For example, applications may ask for permissions from contacts which are obviously not required to stream your favorite channels. Here is an overview of the best live TV channel applications for Android mobile applications: AOS TV FreeaaaTV TV PaidaaaTV You TV Player

Some of the best live TV apps for streaming and watching free internet TV are: StarPlus, PureFlix, Philo offers a 7-day free trial, 100+ channels from one access to up to 100 channels. StarPlus, PureFlix, Philo offers a 7-day free trial, 100+ channels from one access to up to 100 channels. You also include DVR cloud storage for a month. You can also watch shows without worrying about your data. Download Philo TV. Philo TV is a popular app for streaming TV shows, movies and shows on your Android device. They offer over 900 channels from European countries, Indian subcontinent, USA and Canada. Formerly known as UKTV Now, this app has been updated and renamed TVTap. This app is definitely one of those apps that allows you to enjoy smooth streaming on your device. You canograms by genre, year, rating and type. The application does not require an account to log in. On you don't have to pay to watch the content. Download TVTapKodiKodi is a live streaming app but a media center where you can add different file storages, and enjoy free TV, movies, music and shows. You can install an IPTV add-on called cCloud TV on Kodi. cCloud IPTV add-on can display more than 1400+ channels. Installing the CCloud add-on on Kodi is very easy. First, you need to download the Kodi app from the Google Play Store. Next, add the CCloud add-on to Kodi. I have provided a video guide to install IPTV add-on Kodi - Download KodiJoTV Live Sports Movies Shows which is one of the most downloaded live TV apps on Android. JoTV offers over 400 channels including over 60 HD channels across 10 genres and 15 languages. If you want to watch Indian shows on your smartphone, this is the perfect place. But this great app has one drawback: you need to use your SIM cards in your device to run the channels. Download JoTV to Watch Live TV.

Hotstar Live. Hulu TV services launched in 2017, before which many old and new TV shows, movies and other infotainment programs were free. It currently operates as a hybrid of Sling TV and Netflix, offering both TV shows and live streams to its users. The content and presentation of the application depends on the cost: a low price will get you a lot of content, while a higher price will get you a lot of content. Hotstar Live is a live streaming app that offers a wide range of content. It includes ABC, CBS, The CW, Fox, NBC, and more. ServiceCloud recorder with no storage limit, 6 YouTube TV accounts with individual login and DVR. The app offers over 60 US channels that you can stream directly to your phone or Apple TV without a cable box. You can access the network of leading content providers from TV apps AMC, BBC America, Bravo, Comedy, Decades, El, Freeform, FX, FXM, FXFX, FXX, MyNetwork TV, Nat Geo, Nat Geo Wild and many more. News BBC News, Cheddar News, CNN, Fox News, HLN, MSNBC, KidsCartoon Network, Disney, Universal KidsYouTube TV | PaidSling TV Sling TV is a pretty decent live streaming app on the market. Ease of setup, number of channels, and low prices make it a low-cost app for all Android devices. Sling's Orange is \$20/month for 31 channels. It has a good mix of major sports, news and entertainment channels. The Blue package costs \$25 a month and consists of 45 channels. Orange and Blue can be combined into one package for \$40 per month. The basic Orange package includes channels such as ESPN, AMC, CNN, Comedy Central, CN, Disney, TNT, IFC and AGE. Sling Blue offers a selection of Fox, NBC, USA, FX and Bloomberg Network among others. Download Sling TV | Sony India's PaidSonyLivLiv is a national content delivery platform. It works on the same freemium model that allows you to watch content for free, but you can upgrade to a premium service for a fee. Sony Liv is a live streaming app that offers a wide range of content. It includes ABC, CBS, The CW, Fox, NBC, and more.
