Hi-fi s.xbs mh2001 wireless headphone manual

Hi-fi s.xbs mh2001 wireless headphones manual.

Please read this document carefully. This agreement establishes the terms and conditions in which Evertek offers its products and services. TERMS No Price Protection or Stock Rotation: Evertek does not offer any kind of price or rotation protection. Many times we have lowered prices suddenly and without notice at first © Yeah. We work diligently to provide the most accurate information possible. However, as all specifications and descriptions are provided by the product supplier, we do not make any express or implicit warranty regarding the accuracy of the information, including prices, descriptions, specifications and/or quantities. Both the product and the manufacturer's names are used only for identification purposes. Photos are only representations. The packing of the royal unit may vary. We only sell in bulk. Mother order © \$ One-hundred. For orders in \$100.00, there is a surcharge \$10.00. (International orders require \$1000 millimeter) Terms of domestic sales © Statistics: the new household accounts © Statistics are typically created in terms of credit card © said (we accept visa, MasterCard, or American Express.) For existing DOC customers, we use a verification guarantee service for all DOC Company Check transfers. If we are not able to obtain an approval in your order of verification of the company, you will be given the option to pay by Visa/ MasterCard/ American Express or COD Cashier Check. Orders for \$10000 must be paid for ©- paid for bank transfer. Company checks: We cannot accept personal checks. The address printed on your company's check must be the same as the ship to address. Late fees: Evertek charges late fees (invoices not paid for any reason) at a rate of 2% for the first thirty days late, 5% every month thereafter. We reserve the right to waive the fee entirely to our discretion. are only on a cable transfer basis ©- Paid. We don't take credit © said. CRE © said. Neither L / C criteria letters. NSF Politics: Any checked check will disqualify the account of any future privileges of verification of the company and can be responsible for triple damage, service rates, charges and honoraries of attorney. We accept Visa, Master Card or American Express Only! All sales of criterion card should be sent to the billing of the criterion card. PREACES: All the prices are quoted former warehouse, California, USA. Restunded Disclaimer: Evertek buys, restores and sells repaired goods. We are not allowed by Apple or authorized by any major manufacturer to make repairs. SOP is to exchange parts of similar systems, however, on third party parts can be used to make repairs additionally the units that bought for resale may contain the same. When selling any non-factory product recovered from EverTek we ask that you transmit with precision that these units are remodeled and can contain parts of third parties. International Payment Terms: Payment conditions for international sales are prepared by transferring banking, only US dollars. We do not accept international payments of criteria cards or criterion charts (L / C). The customer is responsible for all fees deducted from the transfer payments of wire, including sending and rates of intermediate banks. Please indicate that there is no fee for beneficiaries in the reference section or another adequate section of your bank transfer advice. The customer is also responsible for short payments resulting from fluctuations in currency conversions. Before shipping, EverTEK will advise the changing client to orders that are required due to short payments received. International transport: International customers are responsible for the determination of their rights, tariffs or taxes by country. To the international over 450kg, we can provide freight rates ©- paid to major airports on a "port to airport" basis. Truck Shipments: If no other hand is specified © all shipping, Evertek will board at least qualified carrier available. If this is a worried, be sure to specify how you want a sent request. (We use only respectable national transporters). Although you have the option to ensure your shipments of trucks, (common conveyors such as yellow freight, road, etc.) is strongly advisable that you charge separate input insurance. Remittances for informal products are classified as 92.5 companies tariffs and trucks have a limited liability of \$ 5.00 per pound if a box is lost or damaged. This means that if a 30LB. Box containing (10) Rough discs is lost (evaluated at \$ 80.00 each box has a value of \$ 800), claiming would only pay \$ 5.00 x 30 pounds = \$ 150. 00. It is for this reason that we strongly suggest that you have safe to cover it for this situation. You pay shipping expenses: When you make a request, after reaching the final confirmation page, we will immediately send a confirmation of your request. If you discover some mistake, please contact us immediately. Freight charges may be blank in confirmation. After the freight rates are calculated and the request was sent, we will send you again with shipping expenses and tracking numbers. Refused remittances: If a shipment is refused for any reason, the customer is responsible for the freight rate incurred. The evertek also reserves the right to charge a refueling fee of 20% (which we can also choose to renounce). Manufacturer direct guarantees: If there is a direct manufacturer's warranty, we require you to return the direct drive to the manufacturer unless the unit was donated (within 7 days after receipt). Warranty Limitations: EverTek can not justify an item that has been used unduly or physically damaged. RMA numbers are valid 14 day after the emission. After obtaining a number of Send item (s) immediately. Fitness of Propit: EverTek can not justify any product as suitable for any specific use or purpose. We strongly recommend customers to evaluate a sample unit to determine by their criteria if one In the world of computers there are many products that can be incomparable with a certain brand or certain parts. In cases like this, yeah © your responsibility to resell the product in a standard application in which the part will work. We cannot remove parts because they will not work in particular on the brand product if they work correctly in others. defective products: Any damage resulting from a defective product to limit to a refund of the purchase price only. Defective items will be replaced by a repaired or refurbished unit (even for the DOA). If there is no replacement unit available in thirty days, we will issue a credit memo © said. The cranes © claims expire six months after the date of issue. © said can be reimbursed if not used in an order for thirty days. Refunds will be issued through © s of the mother © any original payment used for the purchase. The cranes © RMA claims are intended for the product only and Do not include any reimbursement of transport costs. All sales are final: all sales are final. Product devolutions, with the exception of the defect, are subject to a re-habitation rate of twenty%. devolutions are not allowed after four days after reception. 48 hour Thanks to the Per odo for Return: Return is allowed, but only within the first 48 hours after receipt, for any orders that are not in expectation. Return after this period of time is Evertek's total discretion and will incur a substantial refuelling rate. Damaged items or Missing Parts: damaged items or missing accesses not as advertised must be reported within seven days of receipt of the product. Guarantee Repairs: Any item sent back for warranty repair must have been tested badly before returning the piece. We will charge a service fee if we find an item in working conditions. Return of the defective item: Customer should carefully pack defective items being returned, as if they were new and working, with all originally included parts and accessories. Failure of OS can invalidate both RMA and RMA RMA Limited Warranty: Warranties can be limited in some articles. Check our sales literature and invoice to verify that the warranty is as expected.
