© 1996-2014, Amazon.com, Inc. or its affiliates The modern age has made it much easier for those who are religious. Especially those who want to study religious texts like the Holy Bible. Not long ago, you'd have to find a pocket Bible or figure out a way to carry that giant book around with you all the time. We know you don't mind. However, it's still nicer having all of it on your phone for easy access and quick reference. Those going to the comment section to suggest apps or discuss the topic, please be courteous to others. We're not here to judge and neither should you. Here are the best Bible apps and Bible study apps for Android! We are aware that there are many different faiths that use the Bible and many different versions of the Bible. Again, we're not saying any particular version of the Bible app for Android And Bible is a super simple Bible app with plenty of features. It includes over 40 English Bibles, including NASNB, KJV, NET, and others. In addition, the app has commentaries, a search, a space for personal note-taking, and even maps of the areas in the Bible. It's a surprisingly decent app for Bible study, especially with all of the extra reference materials. Plus, the app is entirely free, open-source, and has no advertising. The UI could be better, but everything else is basically great. Price: Free / \$14.95 per month / Book prices varyAudible is a popular audiobook platform. It specializes in books read by a human voice. Luckily, they have a few different editions of the Bible pretty much anywhere you want. That includes your home, the car, or even while taking a walk. It won't replace your physical copy of the book. However, it is one of the better companion Bible app for kids. It's one of many apps in the YouVersion Bible app for kids is exactly what you think it is. It's a Bible app for kids is exactly what you think it is. It's one of the book. However, it is one of the better companion Bible app for kids. It's one of many apps in the YouVersion Bible app for kids is exactly what you think it is. It's a Bible app for kids is exactly what you think it is. adventure that teaches them more about the Bible, what happened in it, and the people from it. There are also challenges, fun cartoons, and other stuff. It's also completely free with no in-app purchases. That makes it great for those on a budget. Price: Free / \$3.99 per month / \$39.99 per yearJoe Hindy / Android AuthorityBible Gateway by Harper Collins is an excellent app for Bible Study. The free version includes over 90 translations of the Bible, including the NIV, KJV, ESV, NKJV, NLT, NASB, and various others. You also get 20 audiobook versions of the Bible in various of the Bible in various of the Bible in various languages, the ability to search each one for your favorite passages, and the ability to take notes. There is a premium version for a subscription price that adds some additional Bible Study features. The Bible app by Life Church is probably the best of all the Bible apps. It comes with a whole bunch of features are 1400 versions in a variety of languages. You can read whatever version you want. It also comes with a Verse of the Day, audio version, New King James Version, New Living Translation, English Standard Version, New International Version, New Living Translation, English Standard Version, New Living Translation, English Standard Version, New Living Translation, English Standard Version, New International Version, New Living Translation, English Standard Version, New Living Translation, New Living Translation, English Standard Version, New Living Translation, English Standard Version, New Living Translation, New Living Tra powerful Bible study apps also. It's completely free with no in-app purchases. Daily Bible Verse is an app that shows you daily Bible verses. We know, it's not the most creative name ever. It doesn't really matter, though. The app does a great job at showing you a different verse every day so you have something to read up about. You can also pick between the KIV or the NIV versions of the Bible at your leisure. You can save your favorites or you can share them on Facebook, Twitter, and other social media sites as well. It's also a free app with no in-app purchases. Our Daily Bread is a Christian group that began in the 1930s. Since then, they have written a variety of works to talk about God, Christianity, and how to let God into your life. It's essentially a magazine for the faithful. The app lets you download various things that you can remember for Bible study, daily reading ideas from the Bible, and a public comment section. The app is a bit old school, but it works pretty well. Podcast Addict is an outstanding podcast app. A lot of churches publish Sunday sermons as podcasts with all sorts of different premises and messages. Podcast Addict's UI is simple with a bunch of options for playlists and downloads. The pro version is the same as the free version except there are no ads. Podcast Addict also works with Android Auto, Wear OS, and Google Chromecast. Some other options include Doggcatcher, Pocket Casts, and Podcast Go. The Study Bible is perhaps the best of the Bible study apps. It covers mostly the New Testament although it will touch on the Old Testament if needed. It also contains several famous Christian personalities answer various questions about the Bible, including the ESV, KJV, and NAS. With the app, you can also listen as several famous Christian personalities answer various questions about the Bible, including the ESV, KJV, and NAS. With the app, you can also listen as several famous Christian personalities answer various questions about the Bible, life, and how you can connect one to the other. You can download it and check it out for free or pay \$5.99 for the full version of the app. Price: Free / Up to \$58.99Tecarta Bible is a solid all-around app for the faithful. It includes the KJV version of the Bible for free. You can also highlight your favorite verses, check out a verse of the day, and more. There are also commentaries and devotionals for those who want to read more. There are a small number of ads in the app purchases. JW Library is a Bible app specifically for Jehovah's Witnesses. However, it has a lot of stuff that any faithful person can use. It includes Bible translations in over 100 languages, various versions of the Bible, and a comparison tool for all of the various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions of the Bible translations in over 100 languages, various versions vers don't follow that faith specifically. We're not entirely sure, but we didn't see any significant problems. Apparently so do few others because the app has over a million reviews and a 4.9 rating. That's insane. Best AppsGoogle Play Store With these best Bibles apps, keep you close to the Lord at all times With the trending use of smartphones, there seems to be an app for every aspect of human lives even indulging in religious learning.
