A growing number of medications are being administered in Ambulatory Infusion Centers, which offer a convenient alternative to hospital-based treatment. These infusion suites are typically located outside of hospitals, making it easier for patients to access care. Our centers provide a comfortable setting and convenient locations for patients to receive their infusions and injections of specialty medications. Additionally, we offer a range of services, including enrollment forms for a list of medications that can be prescribed by your primary care provider. There are many benefits to receiving treatment in an Ambulatory Infusion Center. These advantages include: * Patient-specific and therapy-specific supplies * No hospitalization required * Specialized nursing care * Comprehensive ongoing assessments * Access to a wide range of infusible medications * Convenient locations that reduce travel time * A less clinical and more comfortable setting * Personalized care * Lower costs for patients * Medication and infusion administered by the same provider Our First Choice Wellness Center is located at 5576 Rio Vista Dr., Suite 5576-C, Clearwater, FL 33760.
