Academy for massage therapy san antonio

Founded by Esther Nail, LMT, MTL, the Academy for Massage Therapy Training (AMTT) offers a unique approach to massage therapy education and services. The school's proprietary "WorkSmart Method of Massage" focuses on leveraging gravity and proper body mechanics to benefit students throughout their careers. AMTT provides a real-world experience that prepares students to exceed industry standards and consumer demands, ensuring they receive the best quality education possible. The institution offers alternative programs beyond basic licensing, allowing students to complete practical hours before graduation while saving thousands of dollars in tuition. This approach enables students to refine their skills prior to graduation, making them more marketable and profitable in the massage therapy industry. In addition to its educational offerings, AMTT has two campus locations in San Antonio: Park North Campus and Huebner Campus. The Park North Campus is centrally located near Loop 410 and Blanco, within minutes of downtown, the medical center, Ft Sam Houston, and the airport. This location has been a staple in the community since 2008. The Huebner Campus offers massage therapy programs in both English and Spanish, providing students with increased opportunities for growth and development. Both campuses offer a spa-like environment, providing students with hands-on experience in a professional setting. AMTT's commitment to excellence is evident in its dedication to providing exceptional hospitality and customer service to its clients. By offering affordable pricing and bundle packages, the school aims to make massage therapy accessible to a wider range of individuals. Whether you're looking to become a licensed massage therapist or seeking relaxation and rejuvenation, AMTT has something to offer. Located off I10 near USAA & the Medical Center, our Huebner campus offers a unique experience with massage therapy programs available in both English & Spanish! At 11703 Huebner Rd, Suite 110San Antonio, Texas 78230, AMTT's Massage School stands out as one of the top schools in the state due to its exceptional qualities. Click on the links above to learn more about what sets us apart. If you have any questions or want to schedule a tour, feel free to click "Let's Connect" below. With a history dating back to 1989, our founders developed advanced massage therapy techniques while working with rehab patients and focusing on chronic pain relief. We became a state-licensed massage school in 1996 and continue to prioritize cultivating a positive culture that fosters growth & meaningful relationships among students. Our instructors are dedicated to supporting each student throughout their journey. Our program, "Advanced Clinical Mastery," offers tuition forgiveness for those who complete it successfully, requiring only \$299 and a time commitment of 6-9 months. This can lead to a median income of \$55K per year with an unemployment rate of just 1% (Source: Texas Workforce Commission, 2019). Our Fundamentals of Massage program is 500 Hours, meeting the state's minimum requirement for licensure as a massage therapist. We offer part-time classes with flexible scheduling options, including day and evening classes. Class sizes range from 25-36 students per class at our Park North Campus to 10-22 students per class at our Huebner Oaks campus. AMTT Massage Therapy School graduates are in high demand, often receiving job offers before completion. We're proud of our elite reputation and are now partnering with national massage establishments through our Alumni/Partnership network! Qualified candidates can enter the TAPP Program and have a job lined up upon graduation & licensure at some of San Antonio's top massage establishments. AMTT students consistently achieve above-average licensure exam pass rates. For more information on school tuition, fees, and local salary for Licensed Massage Therapists, visit our Tuition and Fees page. The practice of massage therapy is both intriguing and rewarding, offering relaxation & relief from physical discomfort. Explore potential career paths in this field by reading on... The American Massage Therapy School (AMTT) provides an exceptional learning experience, particularly for students during the internship phase. They receive hands-on training, allowing them to gain a deeper understanding of what it takes to work in therapeutic massage therapy. Everyone at AMTT benefits from this approach, with Harry Dabney stating that he gained confidence and skills beyond his expectations. Upon graduation, graduates feel confident in their abilities and prepared for the state board exam. The instructors at AMTT are praised by students like Lisa Kozodoy, who would highly recommend the school due to its excellent staff and curriculum. Ben Johnson notes that AMTT provides all the necessary tools for success, equipping students with the knowledge and experience needed to excel in their careers. For more information on our programs and services, visit our Massage Therapy School page. AMTT: Empowering Students for Success in Massage Therapy Located at three convenient campuses across San Antonio, AMTT offers students an accessible and comprehensive education in massage therapy. With state-of-the-art facilities and innovative teaching methods, including a proprietary approach emphasizing proper body mechanics and gravity, AMTT sets itself apart as a premier choice for those looking to embark on a fulfilling career. The Fundamentals Program provides thorough training in anatomy, physiology, and massage techniques, preparing students for licensure as massage therapists. Those seeking advanced skills can progress to the Massage Mastery Program, which offers specialized training in high-demand services like relaxation and spa therapies. The Advanced Clinical Mastery program further enhances graduates' expertise with an intensive 750-hour curriculum. AMTT's innovative approach and hands-on clinical practice provide students with valuable experience working with real clients under the guidance of experienced professionals. Flexible learning options, including hybrid programs, allow students to balance remote instruction with in-person exams. Upon completion, graduates are eligible for the Texas Massage Therapy Exam and can pursue licensure as massage therapists. With ongoing support for alumni through continuing education opportunities, AMTT empowers students to achieve their goals in a rewarding career as a licensed massage therapist in San Antonio. San Antonio's booming population of 1.5 million makes it an attractive destination for aspiring massage therapists seeking education and training. The city boasts a range of institutions offering specialized programs, from licensed schools with experienced instructors to modern facilities ideal for hands-on practice. This diverse range ensures individuals can choose the best fit for their career aspirations, whether in healthcare or hospitality.
