Reading books and stories is a need if you want to learn a good English. We have divided our books into two levels of books into English in four parts. The first part focuses on improving your skills in English. Before starting long books, these language books will prepare you by improving your vocabulary and practicing reading in English. Next, we suggest two collections of short stories that will slowly build the practice of reading. Third, we recommend three short and easy books to start your trip in English. These books will continue to build your trusted and reading skills to take it to the next step. Finally, we submerge in four more longer books that are more complex. Improve your skills in English here are two short books for your English vocabulary to speed. Ingles for all the books of English Vocabulary of DK Books This book has many photos of many different subjects to build a solid base of the English vocabulary. If you are a visual apprentice, this book will be beneficial. It is an excellent book for beginners, but it will also be a valuable reference for more advanced students. English Vocabulary Builder in English by Lingua Mastery This book includes 300 idioms that are often used in the United States and other English-speaking countries. Landisms, or idiomatic expressions, are important to understand everyday language. Languages can be difficult for language apprentices because they combine words that are difficult to understand if you do not know the meaning. If you want to read novels in English, you need to know some languages. Graduate readers and stories now that you have to brush up on your skills in English. Let's start reading. Graduate readers and short stories are the best way to start reading books in English because it can quickly complete each story and feel achieved. Facilities read for ESL students - starter 1: twelve short stories for students from English by Johnny Bread This book is a collection of 12 very short stories for beginners. Before each story, the book includes vocabulary, comprehension, speech and writing exercises. The book includes a glossary and a list of words available in the book. Old English Olog This book contains 600 old English words that are still used today. Each word is explained in simple English. The book also includes a list of words that are still used today. The book is interesting and fun for language apprentices. This approach motivates you to continue reading and move on to a novel when you have finished. We help some easy novels now that you have some reading practice. It's time to read something longer! Do not worry; These books are not too difficult to Charlotte website by E Z white this is a book that most Americans read in primary school, history is a classic that even adults enjoy, the web of charlotte is the story of a spider called charlotte, who helps rescue a pig named wilbur, wilbur, slaughtered. There is also a cinematographic version of the story, but you should read the book first! The wonderful wizard of Oz by L. Frank Baum This book is

another classic that has been translated around the world. In this book, a tornado hits Dorothy's house in a farm and transports it to Oz's land. You can help you return home. The book became a world famous film in 1939, starring Judy Garland as Dorothy. Animal Farm by George Orwell This book is one of the most famous English books of the 20th century. The animal farm takes place in a farm where animals have taken over humans. They persecute humans to create a world where all creatures are equal. George Orwell wrote this book during the cold war as a critique of communism. The language of this book is easy to understand, and it is not too long. Trying more complicated books! Murder in the East Express by Agatha Christie The famous author Agatha Christie wrote this classic murder mystery. Detective Hercule Poirot is on a train from Istanbul when one of the passengers is killed during the night. The train gets stuck in the snow, and Detective Poirot must investigate before the train starts and the killer can escape. You can find a special edition of the book designed for language students, including a glossary of difficult words. Harry Potter and the philosopher's stone by JK Rowling Harry Potter's books are favorites of language students because many are already familiar with history. Do not be intimidated by the number of pages; this book was written for a primary school reading level. The reading difficulty is made higher with each book of the series. There are seven books in total, so if you like to read the first book, you can move on. If you're a fan of the Harry Potter universe, you can be so immersed in history that you forget that you're reading it in English! The American version of this book is called "Harry Potter and the stone of the witch". 1984 by George Orwell This book is another 20th century classic written by George Orwell. Now that your reading skills are up to the task get ready to enter the dystopian world of George Orwell 1984. In this story, the main character Winston lives under constant surveillance in a totalitarian world controlled by "Big Brother". After Winston slowly realizes the reality of the world around him, can he escape the control of Big Brother's thought? After reading The novels of this list (5-10) are all classic and easily available. Most of them have been made in movies, but don't watch the movie until you read the book! They are also available as electronic books or audiobooks if you want to practice your listening skills.Better ways to choose a book to study difficultly level in English The most important factor in the choice of a book is the level of difficulty. Are you a beginner? Did I be sorry? Given? Do not be discouraged Desanimés You chose a book that will not be ready. In its place, use it as a motivation to study! Familiarity When you start reading in English, it's a good idea to start with one of your favorite books. You already know the story, and you know the characters, so it will be easier to move forward. Reading a book in your original language, you can find details that are different from the translations. Did you know that Harry Potter's Hogwarts have a different name in other languages? INTERESS Personal Another critical factor is your staff. Choose a topic that you are very interested in, and you will be more likely to continue reading until the end! Language learning is a very personal experience. Your language learning trip must be customized to adapt to your interests and learning style. Learn English with books: Do you get an effective resource? Today it may seem that books are an obsolete form to learn a language when you can watch movies or television programs to improve your English. But books often have a more advanced vocabulary and are more descriptive than cinema. You will focus more on language in a book because your brain has to imagine the details of each scene. There are many ways to learn English, therefore, beyond the books, you should take advantage of the new tools available to help you move forward with your linguistic skills. For example, there are many modern websites to learn English or even smart mobile applications that will help you a lot. General English is also one of those tools. It is an online training platform that will help you improve your English online. If you are not safe enough to read a book in English, it's a great way to improve your trust! What are the advantages of learning English English? Read English online makes learning more accessible than in a printed book because you can easily search words that you do not know. You can follow the blogs that are adapted to your specific interests and find content that is more short and easier to digest than a book. But how will you read blog posts to read novels? GlobalExam has designed its general English platform to improve your English skills through a personalized program. It will provide you with the structure to advance your learning while it gives you a variety of different activities based on your needs. Apart from reading books, learning English English has innumerable advantages. You can listen to audio books or podcasts, you can convey your favorite songs. All these are great ways to learn English English. Finally, you can even learn English online for having fun! For example, you can learn English playing videogames, watching your favorite movies or transmitting your desired television programs! The possibilities are endless!
