You can still order to be queueed and items will ship as soon as available. Product description: Epifanes Poly-urethane Clear Gloss (PUCG.750) offers the maximum hardness, durability and ultra-high gloss. It is a two-component coating based on unsaturated polyester that dries as a completely clear finish. Due to the harsh nature of this finish, Epifanes Polyurethane Clear Gloss is ideal for plywood, epoxy resin coating, saloon tables and cabin soles. Provides high U.V protection and abrasion resistance, atmospheric agents, chemicals and gloss loss. The exceptional flow characteristics make this two-component varnish highly suitable for bothand spray application. It can also be used as a base coat with Epifanes Poly-urethane Clear Satin to produce a finish with more depth and clarity. Features and advantages: Offers maximum hardness, durability, ultra-high gloss and is completely clear Ideally suited for plywood, epoxy resin coating, saloon tables and cabin soles Provides high protection and resistance U.V. to abrasion, weather, chemicals and gloss loss Features of exceptional flow Suitable for brush and spray application Technical Info: Container Size: 750g (500g base + 250g) Dry in 24 hours, ricatable in 24 hours Download data sheet here Skip to content IMPORTANT! Due to the current COVID-19 situation please call +66 (0) 98 732 0989 to check availability of stocks before order.
