Lady Gaga Lyrics "Ev'ry Time We Say Goodbye" (originally by Cole Porter) We love each other so deeply That I ask you this, sweetheart Why should we quarrel ever Why can't we be enough clever Never to part Every time we say goodbye I die a little Every time we say goodbye I wonder why a little Why the gods above me Who must be in the know Think so little of me They allow you to go When you're near There's such an air Of spring about it I can hear a lark somewhere Begin to sing about it There's no love song finer But how strange the change From major to minor Every time we say goodbye Every time we say goodbye Writer(s): Cole Porter You May Also Like Madonna - "Hung Up" Time goes by so slowly Time goes by so slowly Time goes by so slowly Time goes by so slowly Time goes by so slowly Time goes by so slowly Every little thing that you say or do I'm hung up, I'm hung...
