Musical transitions in the city, and people all happy in the city, with policemen who bring thieves to justice except Petey, the most antenational cat in the world ("the opening number"). Officer Knight, a strong policeman, and Greg the dog, an intelligent dog gives the head of the police a butterfly fish appointed flippy, and supports brain points because it is "very damaged". This makes the boss crazy. He puts away the points of the Supa brain, and fall into the bowl of Flippy ... auricist Knight Wonders if they could do the proud leader. Meanwhile, Petey is worried about the Knight and Greg, together they could defeat. Petey Spot Knight and Greg walking, and decides to kill them both with a bomb. Knight spot the bomb, and thinks he would take the leader leader to defuse the bomb. Knight asks which thread cut, Greg says he cuts green, because of him to be Colorblind. The bomb explodes. They arrive unconscious to the hospital, and Dr. Dookie, the nurse, and the surgeon discovers that the knight's head is dying, and the body of Greg is dying. The nurse says they should sew the head knight on the body of Greg. Dr. Dookie accepts and the dog is born ("dog dog"). The man of the dog captures Petey straight in cat jail. Flippy comes like a super leafed fish. Man dog chases flippy on a cold mountain, and hanging flippy, dead in the Feshbowl. The boss is happy, but the dog man dances with him, which is really annoying for him. At Cat Jail, Petey is complicit to escape. Today is the birthday of Big Jim, and Warden gave him balloons ("Revenge"). Petey escapes fluttering with Big Jim balloons and arrives in him's laboratory. He decides to clone himself, but instead finds Lil 'Petey, a young man of good heart clone. Back to C.O.p.s. Chief asks a dog to protect Flippy, which is based on scientific research. The dog man comes to the center. In the middle there's Dr. Dookie, the nurse, the surgeon and Sarah Hatoff, a star reporter. Sarah is worried that the dog man rotollerÀ the corpse of flippy. Man dog it does, causing mad scientists. The nurse suddenly says they should "replace its bones with shrubs Bionics", and Dr. Dookie accepts again, and Supa-born Mecha Flippy ("Cyber-Fish"). They leave the dog man to protect flippy, but a bird takes flippy distance, and turns away in shame C.O.P.S. In the laboratory of secret Petey, Petey is working on a new robot called HD-80, while 'Petey is singing a really annoying song ("Happy Song / 80-HD"). Petey gets tired and decides to give Lil 'Petey away. The giveaway becomes a failure, and he abandons Lil 'Petey. Lil 'Petey walks sadly with the case, and falls asleep on the threshold of c.o.p.s. That night, when the boss arrivesAt C.O.P.S., the man dog dances with him with joy. The boss gets angry and sends him out for the night. The dog man finds Lil 'Petey and decides that he should give it away to someone. However, all those who want it would hurt Lil 'Petey. The man dog decides that he will adopt Lil 'Petey ("the perfect Mashup"). ACT II at Petey's Secret Lab, Petey is happy to have Lil 'Petey gone. But soon he realizes that he loves Lil 'Petey ("Without Me"). Send 80-HD to find Lil 'Petey and bring him back to the lab. 80-HD takes Lil 'Petey out of the dog's man's house and escapes. In the morning, the man dog discovers that Lil 'Petey left and establishes to look for it with the boss. They put posters "lost cats" throughout the city. During the realization of posters, they run beyond the factory of living sprays, where the bird taking flippy, falls flippy down into the building. Flippy comes out, but something's new, he's alive! The living spray gas spreads and makes an army of animal buildings, buildings for living monsters that obey flippy. Flippy and his grove buildings march towards the city, for revenge ("I returned"). Go back to Petey's Secret Lab, Petey's happy to have Lil's Petey house. Lil 'Petey wakes up to find gone the dog, but it doesn't matter to him. Lil 'Petey continues to blackbing on the dog's man and drives Petey crazy. Petey decides to teach him some ABC, but nevertheless, they have to do with evil things. But Lil 'Petey continues to interrupt him on the dog's man, which makes him a complete failure ("the evil ABC"). Petey decides to try again, showing his new robot, 80-HD, in Robo-Suit mode. He wants Lil 'Petey to use it for evil, but instead the petey plays with him happily ("the feast of the robo-danza"). In the city, boss and dog man discovers the buildings of cylinders that come towards them. The dog has an idea though, rides a French dressing truck and pours it on the road. This causes a lot of buildings to slip and break. Flippy gets angry and sends all the buildings of tanks after them. Meanwhile, in Petey's secret lab, Lil 'Petey is still celebrating with 80-HD, when he hears the dog man crying to ask for help. Lil 'Petey runs out of the lab to save him, while Petey runs behind him shouting "Wait! We should be the bad guys." Man and head dogs are loose, until Lil 'Petey destroys all buildings and saves the day ("the dog is going!"). Flippy, angry about the destruction of his animal buildings, and throws the 'Petey out of his sight. Petey and the others run quickly to save him. They come, finding 80-HD broken and the 'Petey in the robo dress, still alive. Petey decides that he will enter the robo dress and save Lil 'Petey by sacrificing himself ("a distant, far, better thing"). They quickly run away, then Flippy finds Petey and decides to let him fall into the volcano near the city. In the meantime, the others hide in an art shop that say "There's nothing we can do." However, Lil 'Petey takes some paper and pastels and makes a book for flippy. Lil 'Petey runs to flippy and continues to ask him "why?" Until he finds out that no one liked flippy, and everyone wins it. Lil 'Petey gives him the book called my pal flippy. It softens the heart of flippy, and leaves its evil powers of mind. But that leaves Petey falling into the volcano. The dog's man needs to act fast, and takes a hang glider and runs off the ground. Meanwhile, Petey approaches the edge of the volcano until the dog's man saves it ("A far, far, better reprise")! Flippy has to go to fish jail, but flippy says he'll be happy in prison. Petey has to go back to Cat Jail, but he decides he'll try to be a "best cat." George and Harold decide to end their show, and it's the happiest end ever. But Petey escapesThe Happy Ending!
