Needle masters north

Tattoo Artist SOUTH 527 S. Reynolds Road Needle Masters Tattoo Studios on Facebook Needle Masters has the tattoo and piercing resources for you. Established in 1999, Needle Masters provides large, private booths, a clean, sterile environment, single use items only and Red Cross Certified artists. The artists specialized in a variety of styles ranging from new skool, gothic, traditional, black & gray, portraits, realism, color bomb and graffiti art. Though appointments and an idea of the design prior are always appreciated, Needle Masters takes walk-ins and will draw your tattoo design on the spot for you. Tattoo Artist Jess walks us through her process at the shop. Morning: Come in early, get my thoughts together. Look at the appointment schedule for the day. Listen to my playlist to get myself hyped up. Work: Take the appointments I have scheduled, work with any potential walk-ins to see what they want. Create stencils, set up my station, make sure they like the stencil, tattoo the art. Evening: Clean my station for the next artist to use. Help lock up the shop, prepare for my next appointments. "I know sometimes a lot of females will feel discouraged going into an industry that's more men-based, but I say as long as you're dedicated to what you do and you work hard, you can do whatever the hell you want to."
