A cast; the act of casting or throwing. He heav'd a stone, and rising to the throwHe sent it in a whirlwind at the foe; A tow'r assaulted by so rude a stroke, With all its lofty battlements had shook. Addison. 2. A cast of dice; the manner in which the dice fall when they are cast. If Hercules and Lichas play at diceWhich is the better man, the greater throwMay turn by fortune from the weaker hand: So is Alcides beaten by his page. William Shakespeare. If they err finally, it is like a man's missing his cast when he throws dice for his life; his being, his happiness, and all, is involved in the errour of one throw. Robert South, Sermons. Suppose any particular order of the alphabet to be assigned, and the twenty-four letters cast at a venture, so as to fall in a line; it is many million of millions odds to one against any single throw, that the assigned order will not be cast. Richard Bentley, Sermons. I have ever narrified my friends, Like to a bowl upon a subtle groundI've tumbled past the throw; and in his praiseHave, almost, stamp'd the leasing. William Shakespeare, Coriolanus. The Sirenum Scopuli are two or three sharp rocks that stand about a stone's throw from the south side of the island. Addison.4. Stroke; blow. So fierce he laid about him, and dealt blowsOn either side, that neither mail could hold, Ne shield defend the thunder of his throws. Fa. Queen.5. Effort; violent sally. Your youth admiresThe throws and swellings of a Roman soul; Cato's bold flights, the extravagance of virtue. Addison.6. The agony of childbirth: in this sense it is written throe. See Throe. The most pregnant wit in the world never brings forth any thing great without some pain and travail, pangs and throws before the delivery. Robert South, Sermons. But when the mother's throws begin to come, The creature, pent within the narrow room, Breaks his blind prison. Dryden. Say, my friendship wants him To help me bring to light a manly birth; Which to the wand'ring world I shall disclose; Or if he fail me, perish in my throws. Dryden. To Throwverbpreter. threw. part. pass. thrown. Etymology: orawan, Saxon. 1. To sling; to cast; to send to a distant place by any projectile force. Preianes threw down upon the Turks fire and scalding oil. Richard Knolles, Hist. of the Turks. His head shall be thrown to thee over the wall. 2 Sam. xx. Shimei threw stones at him and cast dust. 2 Sam. xxi. 13. A poor widow threw in two mites, which make a farthing. Mark xii. 42. He fellFrom heav'n, they fabled, thrown by angry JoveSheer o'er the crystal battlements. John Milton. Calumniate stoutly; for though we wipe away with never so much care the dirt thrown at us, there will be left some sulliage

behind. Decay of Piety. Ariosto, in his voyage of Astolpho to the moon, has a fine allegory of two swans, who, when time had thrown the writings of many poets into the river of oblivion, were ever in a readiness to secure the best, and bear them aloft into the temple of immortality. Dryden. When Ajax strives some rock's vast weight to throw, The line too labours, and the words move slow. Alexander Pope. The air-pump, barometer, and quadrant, were thrown out to those busy spirits, as tubs and barrels are to a whale, that he may let the ship sail on while he diverts himself with those innocent amusements. Joseph Addison, Spect. 2. To toss; to put with any violence or tumult. It always comprises the idea of haste, force or negligence. To threats the stubborn sinner oft is hard, Wrap'd in his crimes against the storm prepar'd; But when the milder beams of mercy play, He melts, and throws his cumb'rous cloak away. Dryden. The only means for bringing France to our conditions, is to throw in multitudes upon them, and overpower them with numbers. Joseph Addison, State of the War. Labour casts the humours into their proper channels, throws off redundancies, and helps nature. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations to which they have been advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations to which they have been advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations to which they have been advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations to which they have been advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations to which they have been advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations to which they have been advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations are not advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless and depraved part of mankind from those conspicuous stations are not advanced. Joseph Addison, Spect. Make room for merit, by throwing down the worthless are not advanced by the part of mankind from those conspicuous stations are not advanced by the part of mankind from those conspicuous stations are not advanced by the part of mankind from those conspicuous stations are not advanced by the part of mankind from those conspicuous stations are not advanced by the part of mankind from those conspicuous stations are not advanced by the part of mankind from those conspicuous stations are not advanced by the part of mankind from those conspicuous stations are not advanced by the part of mankind froom the part of mankind from those conspicuous stations are not a mountains, all thrown together in a most romantick confusion. George Berkeley, to Pope. 3. To lay carelesly, or in haste. His majesty departed to his chamber, and threw himself upon his bed, lamenting with much passion, and abundance of tears, the loss of an excellent servant. Edward Hyde. At th' approach of night, On the first friendly bank he throws him down, Or rests his head upon a rock till morn. Joseph Addison, Cato.4. To venture at dice. Learn more than thou trowest, Set less than thou trowest, William Shakespeare, King Lear, 5. To cast; to strip off. There the snake throws the enamell'd skin, Weed wide enough to wrap a fairy in. William Shakespeare, King Lear, 5. To cast; to strip off. There the snake throws the enamell'd skin, Weed wide enough to wrap a fairy in. William Shakespeare, King Lear, 5. To cast; to strip off. Shakespeare, Henry IV. One of the Greek orator's antagonists reading over the oration that procured his banishment, and seeing his friends admire it, asked them, if they were so much affected by the bare reading, how much more they would have been alarmed if they had heard him actually throwing out such a storm of eloquence. Addison. There is no need to throw words of contempt on such a practice; the very description of it carries reproof. Isaac Watts.7. To spread in haste. O'er his fair limbs a flow'ry vest he threw, And issu'd like a god to mortal view. Alexander Pope, Odyssey.8. To overturn in wrestling. If the sinner shall not only wrestle with this angel, but throw him too, and win so complete a victory over his conscience, that all these considerations shall be able to strike no terrour into his mind, he is too strong for grace. South.9. To drive; to send by force. Myself distrest, an exile and unknown, Debarr'd from Europe, and from Asia thrown, In Libyan desarts wander thus alone. John Dryden, Æn. When seamen are thrown upon any unknown coast in America, they never venture upon the fruit of any tree, unless they

observe it marked with the pecking of birds. Addison. Poor youth! how canst thou throw him from thee? Lucia, thou know'st not half the love he bears thee. Add. 10. To make to act at a distance. Throw out our eyes for brave Othello, Even till we make th' aerial blueAn indistinct regard. William Shakespeare, Othello. 11. To repose. In time of temptation be not busy to dispute, but rely upon the conclusion, and throw your self upon God, and contend not with him but in prayer. Jeremy Taylor, holy living 12. To change by any kind of violence. A new title, or an unsuspected success, throws us out of prose, affects the compound epithets. Alexander Pope 13. To turn. Robert Ainsworth.14. To Throw away. To lose; to spend in vain. He warms 'em to avoid the courts and knaves. Thomas Otway. In vain on study time away we throw, When we forbear to act the things we know. John Denham. A man had better throw away his care upon any thing else than upon a garden on wet or moist ground. William Temple. Had we but lasting youth and time to spare, Some might be thrown away on fame and war. Dryden. He sigh'd, breath'd short, and wou'd have spoke, But was too fierce to throw away the time. Dryden. The next in place and punishment are they who prodigally throw their souls away; Fools who, repining at their wretched state, And loathing anxious life, suborn'd their fate. Dryden. In poetry the expression beautifies the design; if it be vicious or unpleasing, the cost of colouring is thrown away upon it. John Dryden, Dufresnoy. The well-meaning man should rather consider what opportunities he has of doing good to his country, than throw away his time in deciding the rights of princes. Addison. She threw away her money upon roaring bullies, that went about the streets. John Arbuthnot, Hist. of John Bull.15. To Throw away. To reject. He that will throw away a good book because it is not gilded, is more curious to please his eye than understanding. Taylor.16. To Throw away a good book because it is not gilded, is more curious to please his eye than understanding. things succeed, be thrown by, or let fall. Ben Jonson. He that begins to have any doubt of his tenets, received without examination, ought, in reference to that question, to throw wholly by all his former notions. John Locke. 17. To Throw down. To subvert; to overturn. Must one rash word, th' infirmity of age, Throw down the merit of my better years: This the reward of a whole life of service? Addison.18. To Throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To reject; to renounce: as, to throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To reject; to renounce: as, to throw off. To reject; to renounce: as, to throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To reject; to renounce: as, to throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts and oils in the animal body, as soon as they putrefy, are throw off. To expel. The salts are throw off. The the houshold of God alone should throw off all that orderly dependence and duty, by which all other houses are best governed? Thomas Sprat. 20. To Throw out. To exert; to bring forth into act. She throws out thrilling shrieks and shrieking cries. Edmund Spenser. The gods in bounty work up storms about us, That give mankind occasion to exertTheir hidden strength, and throw out. into practice Virtues which shun the day Addison. 21. To Throw out. To distance, and thrown me out in the pursuits of honour? Addison. 22. To Throw out. To eject; to expel. The other two whom they had thrown out they were content should enjoy their exile. Jonathan Swift. 23. To Throw out. To reject; to exclude. The oddness of the proposition taught others to reflect a little; and the bill was thrown out. Jonathan Swift.24. To Throw up. To resign angrily. Bad games are thrown up too soon, Until they're never to be won. Hudibras, p. iii. Experienced gamesters throw up their cards when they know the game is in the enemy's hand, without unnecessary vexation in playing it out. Joseph Addison, Freeholder. Life we must not part with foolishly: it must not be thrown up in a pet, nor sacrificed to a quarrel. Collier.25. To Throw up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances the patient throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of the cause by the substances throws up. To emit; to eject; to bring up. Judge of throws up. Judge of t despair I 'gin to grow, And mean for better wind about to throw. Hubberd.
