Tell a friend about us, add a link to this page, or visit the webmaster's page for free fun content. Link to this page: Things are said to be named 'univocally' when, though they have a common name, the definition corresponding with the name differs for each. On the other hand, things are said to be named 'univocally' which have both the name and the definition answering to the name in common. Socrates reminds Meno that this is only an enumeration of the virtues and not a definition of the notion which is common to them all. Others carry the matter still further, and inquire how many of his ancestors have questioned how the first of the family could prove themselves citizens, according to this popular and careless definition. Gorgias of Leontium, partly entertaining the same doubt, and partly in jest, says, that as a mortar is made by a citizen maker, and a Larisssean by FREEDOM, ESSENCE, purposely letting himself go into the snare of words the philosophers set for him, he seemed to comprehend something. Here is one definition from a popular dictionary: 'Any instrument or organization by which power is applied and made effective, or a desired effect produced.' Well, then, is not a man a machine? She might be defined, I reflected, as The Woman Who Is Worthy Of Us; but the improbability which every healthily conceited young man must feel of ever finding such a one made the definition seem a little unserviceable. I suggest, as a first approximation, that these particulars, together with such correlated others as are unperceived, jointly ARE the table; and that a similar definition applies to all physical objects. *Energy in government is essential to that security against external and internal danger, and to that prompt and salutary execution of the laws which enter into the very definition, Tragedy is an imitation of an action that is complete, and whole, and of a certain magnitude; for there may be a whole that is wanting in magnitude. Meantime, too, some of the enterprising humorists of the country had helped themselves to such parts of the work as served their needs, and many of its definitions, anecdotes, phrases and so forth, had become more or less current in popular speech.
