Figurative language examples sentences

the difficulties of the world that he dealt with, he continued to provide a light-hearted spirit. This example shows qualities of a great leader who composed himself during turmoil.

Margaret Thatcher shows the reader a personal side of the story when she calls him "Ronnie." This simple nickname allows the reader to see the close relationship that they had. By using this, it shows the depth of their conversations and how well she knew him. It signifies how accurate the information she expresses is and also allows the reader to trust her. Her use of a personal quote by him, connects the audience to this piece. The context of the quote shows how kind of a figure that Reagan was and the companion that he had during his lifetime. She also uses figurative language in the state, "he invited enemies out of their forces and turned them into friends." This language specifies how far away his enemies were from his opinions and how much they differed in opinions yet he was still capable of engaging with them and resolving conflict. He solved problems efficiently and this figurative language proves solely this. His recognition of his talents show the honor that she holds for him. Thatcher also uses short sentence in order to describe the actions that he made. This causes her to list many descriptions and shows the significance of each. Each short sentence that she provides in this story is appreciation towards Ronald Reagan and the respect that she has towards each of the actions that he performed.

Personification

Giving human qualities to animals or objects.

Example:
The trees danced back and forth in the wind.

EXAMPLES

The admiral's motto was, 'Do it schooner, not later.'

Did you hear about the French man who jumped off the Eiffel tower wearing the parachute and landed in the river? The police didn't arrest him because he was clearly in seine.

FIGURES OF SPEECH	
Alliteration Alliteration is when a word or phrase begins with the same letter. E.g. She ate seashells on the seabed.	Anaphora Anaphora is repeating multiple words within a phrase. E.g. He ate one apple, he ate another.
Antithesis Antithesis applying a comparison between two ideas that are in direct opposition to each other. E.g. We're here to help, we're here to hurt.	Apostrophe Apostrophe is speaking to an object or person that is not there. E.g. You're welcome, you're welcome to the sea.
Assonance Assonance occurs in the middle of a sentence where two vowels are balanced against one another but with different sounds. E.g. Now now, brown trout.	Chiasmus Chiasmus is when two sentences are balanced against one another but with different endings. E.g. Work hard and play hard.
Euphemism Euphemism is a kind of figure of speech which might be considered offensive to some but implies the same thing but does not offend. E.g. I'm afraid we'll have to make you wait a little longer.	Hyperbole Hyperbole is a term which can be used to describe a figure of speech that is dramatic regarding the sentence. E.g. My bag weighs a tonne.
Irony Irony is a figure of speech which uses an opposite meaning of what is really being said. E.g. The water bottle is the present. The bottle is not.	Litotes Litotes is a figure of speech which applies a negative response to the affirmation. E.g. I am not tired.

Emotive Language Word Mat

Career Guide Development Professional Figurative Language (with examples) by Indeed Editorial Team October 28, 2021 The figurative serves as an excellent communication tool and it is something that we find daily that it helps us transmit complex descriptions or emotions in a fast and effective way. Also known as «Speech Figures», the figurative language can be used to persuade, interact and connect with an audience and amplify the desired message. Implementing figurative language requires careful thinking and close observations to transmit with success its intended meaning. In this article, we reviewed some common types of figurative language and evaluated some examples to deepen your understanding. What is the figurative language? Figurative language is the use of words, phrases and descriptive sentences to transmit a message that means something without saying it directly. Its creative editor is used to build images to deepen the understanding of the public and help to empower the words through the use of different emotional, visual and sensory connections. The figurative language is used to: compare two different ideas to increase the understanding unadressing sometimes difficult ideas to improve an emotion or more profound connection in the public to make connections. Higher descriptions of visualization emotion-related: 4 types of communication (with examples) Figurative language types with examples The figurative language It is used in literature such as poetry, drama, prose and even speeches. Speech figures are literary devices that are also used throughout our society and help to transmit important ideas in a significant way. Here are 10 common speech figures and some examples of the same figurative language in Similum. Similum is a comparison between two different things using the words A «as», «like» or A «than». It is often used to highlight a characteristic of one of the elements, the sizes are based on the and the ability of the public to create connections and make inferences about the two objects that are discussed and understand the only similarity they share. Examples: My mother is as busy as a bee. They fought like cats and dogs. My dog has a bark as strong as thunder. His love for his children is as constant as the passing of time. Your child's eyes shine more than the stars. 2. metaphor A metaphor is a direct comparison without using the comparative words "like" or "like". The metaphor match the two things that are compared to obtaining a stronger connection and deepening the meaning of the comparison. Some metaphors, which continue through several lines or a whole piece, are called extended metaphors. Examples: Your smile is the dawn. Your son was a brilliant star in my classroom. The tall trees were curtains that surrounded us during our picnic. The ants soldiers stole our dessert. Related: Metaphors vs. Similes. Differences and Examples. Personalization Personality is ascribed human characteristics to nonhuman things. This personifies objects and makes them more relatable. Examples: The chair shrieked from pain when the hammer broke it. The extremity of the tree was soured and turned when the lightning hit him. My heart jumped when my daughter entered the room in her wedding dress. The computer discussed with me and refused to work. Related: 26 Narrative Techniques for Writers (With Examples). Onomatopoeia Onomatopoeia is the use of descriptive words that sound or imitate the noise they are describing. Examples: The water splashed all over the top of the car. The ows shake at night and keep us awake when we're camping. My stomach grunted hungry as we entered the restaurant. Hit and boom in emotion, my heart hit to hear the lottery results. 5. Oxymoron An oxymoron is a description using two opposing ideas to create affective. The format is often an adjective proceeded by a noun. Examples: My father's clueless idea landed in the middle of the lake without a one jacket. The jumbo shrimp is one of the favorites of the customers. The noisy silence of the night keeps him awake. A constant stillness of the water, the river crosses the forest. 6. Hyperbole A hyperbole is an exaggeration used to emphasize an emotion or description. Sometimes the hyperbole also implements the use of similar and comparative words. Examples: I am hungry that I would eat dirt right now. My brother is higher than a skyscraper. The concert was so strong that the drums resonated in space. Running during the day was a marathon race for me. Related: 5 Persuasive techniques to improve your writing? Litterotes The litterotes are figures of discourse that use euphemism to make a point. It's often sarcastic tone. The claim is denied otherwise. Examples: I can't say I disagree with what you're saying. My dog is not the most friendly. It's not even a little tired after being awake all night watching TV. 8. Language A language is a commonly used expression that has acquired a meaning different from its literal meaning. Language phrases vary according to culture and language. They are often difficult to understand for language students because the true meaning of the expression is very different from what is being expressed. Examples: My grandmother's garden is blooming due to its green thumb. The kids couldn't play baseball because they were raining dogs and cats outside. You must play your cards well to win in the game of life. Some people throw the towel before they should and never learn the value, to work hard for success. 9. Alliteration The alliteration is the repetition of the same consonant sound at the beginning of one or more words close to each other. It is often used to emphasize an emotion or reveal a stronger description. Examples: The noise of the legs resonated through the hallway and woke me from my dream. The clamor of the cracks in the cement brought my ears. The old crunchy boxes have centuries of dust inside and are about to open. The babbling of the babies brings joy to me. 10. Common-use Rhetorical Strategies (with Examples) 10. Allusion A reference is a reference to a well-known person, place, thing or event of historical, cultural or literary merit. It requires the public to use their background knowledge to understand the meaning. Examples: You stole the forbidden fruit when you took his candy. He didn't do anything as bad as cutting a cherry. She was Helen of Troy of the class and made all the boys fight. My little girl ran faster than a quick bullet when I grabbed my lip. Labial.
