Translate english to khmer pronunciation

We utilize machine translation technology and artificial intelligence in our free Khmer-English translator for global reach. The device is used by 360 million individuals across 67 countries and 27 non-sovereign entities. Our user base includes 16 million people native to Cambodia. Our services use cookies and data to deliver and maintain Google's offerings, tracking outages, protecting against abuse, and measuring audience engagement. If users opt for "Accept all," additional uses include developing new services, delivering ads, and showing personalized content and ads based on settings. Users can also select "Reject all" to limit cookie usage for these purposes.
