

I'm not a bot

Four Corners is a comprehensive English learning program for adults and young adults, focusing on four language skills. The Level 3 Teacher's Edition with Assessment Audio CD/CD-ROM includes detailed teaching instructions, supplementary activities, and multimedia resources like video notes, audio scripts, and Student Book answer keys. The Assessment CD-ROM offers a complete assessment package featuring oral and written quizzes, unit tests in printable formats. The course also features a range of optional activities to enhance student learning. Four Corners Student's Book with Self-study CD-ROM, Level 3 is designed for low-intermediate learners, providing an in-depth exploration of basic grammar, vocabulary, and functional language. The twelve units cover engaging topics like style, interesting lives, our world, personalities, and the environment. To promote measurable outcomes, each lesson includes multiple speaking activities tied to learning objectives. Additional 'Keep Talking' exercises help students develop fluency. As with other levels, Four Corners offers an extensive range of print and digital course materials to support student communication and confidence building.
