## South middle school principal

South Strong Families, Happy new year! I hope you had a restful three-week break and had a chance to re-energize yourself for Quarter 3. As we come back into Quarter 3 there will be many transitions that we will need your support as well as supporting your students in their academics. First, the week of January 11th all students will be remote learning. You will be receiving a letter from us next week letting you know the designation of your student for the week of 1/19. This will be for the A group students to report to South Middle School. All students will be following their Infinite Campus schedule if they are remote or in a hybrid learning model. Calendar for Quarter 3 Quarter 3 Remote Schedule (Only Week of 1/11-1/15) Quarter 3 Hybrid Schedule (For Quarter 3 starting 1/19) Health Reminders Second, health and safety of our students, staff and families is our top priority. Please partner with us by adhering to the following practices: All students must wear face masks while on the bus and at school. Please continue to practice mask wearing with your children at home. Keep your children home if they are sick. Check for symptoms every day by completing self assessments and always check your child's temperature. If your child has a temperature of 100.0 F or higher, keep your child at home. Additional symptoms to look out for are a cough, sore throat, tiredness, nausea, loss of taste or smell and shortness of breath. If someone in your household tests positive for COVID-19, please keep your student at home for the quarantine period determined by your medical provider. Reinforce and teach frequent hand washing with soap and water for at least 20 seconds. Make sure to provide your school with a current telephone number where you can be reached. Ensure that someone is available to pick up your children within an hour if they are showing symptoms. Report your child's absence each day to the school including the reason for the absence and, if sick, please report illness symptoms on the attendance line. Also, please remind your children about social distancing. This means keeping several feet between themselves and others. I know some children may want to hug or high five others. Instead, please show your children how to give a friendly wave or thumbs up from a distance instead. We know this has been challenging for everyone and we will keep an optimistic mindset as we move forward through the start of 2021. This is an opportunity for all of us to grow as people no matter if you are a student, parent, or educator. Thank you so much for trusting us here at South with your student. Mehran D. Ahmed Principal South Middle School I am excited to have the opportunity to serve as the principal of South Middle School. My goal each day is to learn and grow professionally and personally. I'm originally from Nebraska and enjoy cheering on the Huskers. In my free time I enjoy many outdoor activities, sports, learning new hobbies, exploring the Black Hills and watching my kids grow up and participating in activities. I look forward to the future and all the great things South Middle School has done and will do! Assistant Principal, Jeanne Deming I have been at South Middle School for 22 years as a teacher and Assistant Principal. Most of my family and myself attended South Junior High, as it was called back in the day. I love this school!! I believe as a staff we can makea difference in every child's life. In my free time I spend time with my family and support our awesome students in their activities and athletics. I have been very lucky to be a part of the Rebel Nation for so many years. Jose Duarte, Principal Lisa G. Thomas, Assistant Principal John Lynch, Associate Principal SOUTH MIDDLE SCHOOL MISSION South Middle School is an educational institution that embodies an active collaboration of students, staff, parents, and community. The school strives to provide a safe environment to maximize each student's emotional, social, physical, and academic potential. Basic skills, critical thinking, and essential life skills are emphasized and developed to mold our students into exemplary citizens who properly exercise their rights and responsibilities in our dynamic democratic society. SOUTH MIDDLE SCHOOL VISION All students will leave South Middle School academically proficient at grade level, a responsible member of the school community, and physically fit. Students will successfully transition to high school as well as follow a pathway to a healthy lifestyle. South Middle School Offers: A safe learning environment that promotes academic excellence and social well being for all students grades six to eight. A comprehensive education that includes a wide variety of technology, including Brightlink Interactive Boards, Promethean Boards, ELMO document camera, tablets and the Gelfand family Science lab Participation in the National Latin Exam, City Wide Spelling Bee, Science Fair, and Student Council After school programs that include the following: intramurals, Coaching 4 Change, drama club, and jazz choir. South Middle School - School Report Card 2020 Dear Families: On behalf of our staff I welcome you, our students, our families and community members to South MS. Our mission is to work collaboratively with you to create at South MS an educational setting where all students feel safe socially, emotionally and physically and achieve their highest academic potential. We embrace the uniqueness and diversity of our student body and work tirelessly with each and every one of our students to help them develop into exemplary citizens who properly exercise their rights and responsibility in our democratic society. Our vision is that all students as a result of being imbedded in rigorous coursework and supportive environment will leave South MS ready to succeed physically and academically in high school and beyond. I invite you all to visit us and engage with us in development of our city's best students Once a Dragon, Always a Dragon Sincerely, Jose P. The plans are developed among school leadership, faculty and staff and serve as a blueprint for success. School Improvement plans require school personnel to set challenging goals for student performance, and must articulate the strategies the school staff will use to reach their targets.In addition to approving each school's SIP, Central Office conducts three to four "Walk Throughs" per school per year to gather data and provide feedback to site-level leaders about how effectively the plans are being implemented. What's exciting about this is that everyone recognizes the importance of this kind of feedback and is actively supporting this kind of valuable work - principals, teachers, administrators and union officials. Dear Parents/Guardians You have the right to request the following information about the qualifications of your child's classroom teachers: Whether your child's teacher is licensed in the grade levels and subject areas they teach, Whether your child's teacher is teaching under an emergency license or waiver. The college degree and major of your child's teacher, and Whether your child is provided services by paraprofessionals and, if so, their qualifications. If you would like information regarding the qualifications of your child's teacher, please contact Karen McCarthy at karenmccarthy@bpsma.org or call 508-580-7561. I am excited to have the opportunity to serve as the principal of South Middle School. My goal each day is to learn and grow professionally and personally. I'm originally from Nebraska and enjoy cheering on the Huskers. In my free time I enjoy many outdoor activities, sports, learning new hobbies, exploring the Black Hills and watching my kids grow up and participating in activities. I look forward to the future and all the great things South Middle School has done and will do! The District Office will be open from 7:30 a.m. - 4:30 p.m. Monday - Thursday and 7:30 a.m. - 12:00 p.m. on Fridays. These adjusted hours of operation will start the week of June 7th and run through July 30th.
