Also read: 12+ biblical verses that will help you live a long life 6. Experience, in their opinion, is the best teacher, and all past things make you the way you are in the present. No million dollars need to leave your comfort zone. Continue to study and study more life experience. 7. Eternal life you cannot buy your salvation with silver and gold. To earn this, you must obey the commandments of God. 8. They say that knowledge is power, which means that you can study and look for more best things that life can offer. You can buy education in schools, but you can buy the best education that you can get from your parents, elders, friends and even strangers. 9. He has wisdom, not wisdom for important things. Wisdom is very important because it can help you solve and choose the right things. Wisdom cannot be bought for money. But fear of the Lord is the beginning of wisdom. Also read: how to get wisdom from God in accordance with Bible 10. You cannot understand what cannot be understood, becoming rich. You earn this by practicing what to preach. You get this using your knowledge and wisdom. Remember that this is only when you do this, you can understand this. 11. Honestly, some people will do everything they need to achieve their goals, even if they are put on the card. You should not sacrifice this, as it shows your values and even to whom you really believe. 12. Real friends, when you feel that everything is against you, true and real friends will always be near you. It may not be so many, but you can really count on them. You do not need to be a mansion or luxurious cars to have real friends. 13. The house is not a building, the house is where your heart is the safest and most calm. You and your family are home. A simple cheap house can be a big and valuable house. Also read: 9 reasons why the family is the best thing in your life 14. Wealth of wealth does not always mean money, it can be your health, your family or friends. 15. Talent can master the skill, but the talent is innate. You were born with talents. No one can take it, and only you can develop andWhat was offered to them. 16.

Acceptance of acceptance is one of the most difficult things that we can give situations. But the presence of a heart that will accept that will help us calm down. 17. True, the truth can be difficult, but it is better than lying. True will free her, and you can enjoy this freedom, even if you have no money. 18. Good manners, regardless of how you dress, and if you have bad manners, you remain inconvenient for others. This is an ordinary thing that should have people so that they can give them the same thing that they give them. 19. Good common sense means a sound solution in the solution -d. It may be a little difficult to solve immediately, without thinking about the consequences, but common sense helps you recognize this more clearly and make a good decision. 20. The calmness of the mind is very difficult with all things that constantly bother us. Let go of people and unnecessary things when it makes your life toxic. Also read: 10 ways to live a simple and peaceful life. You do not need a lot of money to be brave. What they need is to believe in them and the people who rely on them. 22. Gold, it's free to smile and laugh! Give me all your might to overcome sadness. To be pessimistic will take it with him everywhere. Being happy and seeing a good side of life will change your point of view on things positively and motivates you to become the best person. 23. Internal beauty, regardless of the amount of the workpiece that you put on your face, will never be beautiful. What are you on the street. 24. Humility in a world in which the need to spread their achievements is a measure of success is a bit difficult to be modest. Let your actions speak and always do not forget to keep your legs on the floor. 25. Friendliness people can be very viles most of the time, but there should never be an excuse to do the same. Friendliness can go very far and have a significant impact on others. You can always be good with others, whether it is full or empty. Also read: how cute and warm with the rest of 26. Compassion you do not need to be rich to listen to the hearts of people. You do not need money to feel the suffering of others. All you need is a compassionate heart to be in place of others. 27. Currently break down when thingsl improved and improved, it is very difficult to be satisfied with what you have. But if you learn to be satisfied, you will learn when this is too much, and you have more than enough. When you are satisfied with your life, money becomes irrelevant. 28. Good night, you can afford to sleep in a five -star hotel, but if your mind and heart are restless, you cannot sleep well. Always get enough sleep with a clear conscience. 29. Fidelity today is very difficult to find fidelity. When people support you and are sincerely devoted to you, you learn to appreciate and appreciate them. Choose people who are faithful to you because they love you, and not those who are faithful to you only because they can get money from you. 30. Moral support of your loved ones, family and best friends will always provide you with moral support for free. They are your best support system. Therefore, value and value them always. 31. Prayers to pray at any time and anywhere, while you have faith. The strength of your prayers does not depend on your financial situation, but on your faith and righteousness. See also: How to effectively pray from the Bible 32. Fantasy, free fantasy. If you have an imagination, you can create the most beautiful things. We all have this, we just need to dig deeper and think wider. 33. Sweet dreams can dream of everyone. Even babies smile in a dream. And money cannot buy these smiles. 34. Luck can not always be on our side, but when it is, we must be grateful and happy. 35. God blesses the blessing of our affairs. He blesses the righteous, not the wicked. And it doesn't matter if you are rich or not. 36. God's grace of God's grace is probably the best of everything that was postponed, because without his grace we would not even be on this earth. Always remember that God came off the ground, became man and died on the cross to pay for our sins. Already this should always remind us that this life, which we have now, is a gift, and we should not waste it in vain. If you have something of the above, do everything possible to save and take care of them. Do not waste them! If you miss something, create and improve! You do not need to spend money to have one. You just need to spend time, efforts and sacrifice a little to buy them and change your life today and in the future.
