By LMH · Latest update June 11, 2021 Subway Surfers Mod is an interesting chase game that can be called an endless running game developed by Kiloo that has been very successful as an entertaining game with many downloads on a smart mobile platform. If you say Temple Run 2 is an endless running game with an ancient context, Subway Surfers Mod is an entertaining game with similar gameplay, but with more outstanding features and high-quality images with context. the modern-day scene today. With the same genre, you can experience racing in the jungle and try to escape the gibbons in the new Temple Run 2. Download Subway Surfers Mod - Unlimited Run Join Subway Surfers Mod, players will experience the inspector's chase, caused by Jake, a mischievous boy holding a spray paint box on the walls and ships and being discovered. With his dog, the inspector was determined to catch the boy to punish him with the above violations. From there the chase begins and becomes more interesting when Jake on the run has picked up interesting items. Control character Subway Surfers Mod is set on endless train paths, players will control the character by jumping up, rolling down, jumping left, right. On the track, you will not be stopped to rest but instead will keep running and moving forward, but not stopping there the game will have obstacles that you need to dodge and overcome. The trains going in the opposite direction but are not careful when you crash, you will be caught by the inspector. Try to help cat tom chase a thief in Talking Tom Gold Run with much spectacular gameplay. Diverse characters to choose from With the diverse character system, Hack Subway Surfers will give you the ability to experience 15 characters, but nothing is free, all you need to do is join the chase and make a lot of money to be able to unlock it. characters that I love. At first, when you join the game you will receive the character. Jack, with a white outfit, money is very important in the game but not all, you will need to collect items depending on the character. Match by opening gift boxes or getting in your race. When you have enough items that the system requires then you can unlock that character. 3D graphic design Talking about the graphic design of Subway Surfers Mod, players will be exposed to realistic 3D images, designed in detail for each scene in the game. Developer Kiloo has elaborated on every detail such as sharp characters, realistic trains, and clear angles to every aspect. Not stopping there, the difficulty of the game is gradually increased over the time that you run, players will not feel bored by focusing and observing carefully otherwise they will lose at any time. Supporting item In his chase, players will have interesting support items, it must be said that these items have helped the publisher to blow the game's soul into the game to increase the intensity of the game and create a sense of curiosity to explore. by Subway Surfers Mod: Skateboard: 16 types to help players have faster speed and especially help players like having 1 more network to play. Jumping shoes: players will be jumping higher than normal, making the ability to overcome obstacles more easily. Jetpack: helps players fly into the air for a certain period of time and earn more money. Magnets: when using the player to run where the magnet will suck all the gold on the track in a certain period of time. In addition, you can use coins to be able to upgrade support items when using time will be longer. Besides, after the race, players can get a mysterious chest, which when opened will have a chance of getting interesting items. Collect keys and open mysterious chests Where does a mysterious chest come from? Players will collect letters when matching enough words to get a chest or there will be many different ways for you to get a chest. Along with that, in order for your character to become more splendid and luxurious, players should collect the key, be able to unlock the costumes they love. There is one special thing that I want to introduce to you is that after the game updates you will experience events related to festivals and events in real life.
