It offers an extensive collection of beginner to advanced training materials. "Pillars" offers more educational content than any other contemporary vocal training system currently available in the industry today. The Four Pillars of Singing breaks new ground and is changing the rules of how vocal training products are made. "Pillars" is a comprehensive multi-media training experience!Now With The New Training Media Interface! The Training Media Interface or "TMI" is the first user-friendly training application ever produced for any vocal training system. Students of TVS enjoy the benefit of having all the training content from "The Four Pillars of Singing" into organized menus. The TMI also features an embedded multi-media player students use to enjoy reading the book, viewing lectures and demonstrations and training with audio workouts. Each copy of The Four Pillars of Singing also comes with the original video & audio files to synch with other digital devices.Not Just a Book, This Is a Multi-Media System!Instead of just talking and writing about singing techniques, voice expert and author Robert Lunte shows you exactly how to practice each vocal workout by demonstrating all the original TVS vocal exercises. Each vocal exercise can be viewed from four angles in HD video or listened to at your leisure in audio. Read, see and hear in the clearest possible way how to train your voice or sing along to solo piano tracks of all 40+ original workouts. To accompany vocalists on piano full, notated sheet music is also provided.The system also offers over 40 lectures that discuss some of the most cutting-edge vocal techniques and ideas on how to train singers available in the business. Lastly, The Four Pillars of Singing offers a comprehensive training routine that gives direction and guidance on how to train these techniques.For Singers Of All Levels, Beginner To AdvancedThe innovative approach taken in The Four Pillars of Singing vocal training system, enables you both as a beginning student of voice or as an experienced vocalist, to achieve results quickly.Endorsed By World Class Voice Experts From Around The WorldThe book and the collection of audio and video exercises for vocalists are backed up by Robert's worldwide team of TVS-certified voice instructors. These vocal coaches are ready to assist you with further instruction in the form of private online voice training or singing lessons in person, if you want to take your training further. Read a few of the hundreds of reviews!! \*\*\*\*\* More Depth & Persona then other programs. I'm amazed at the depth of your program. You have put an enormous amount of work and effort into this and it shows. I've glanced at other programs similar to yours in nature but have never seen this kind of structure and depth. Thanks again man, awesome product! Reviewed by: Fred Durham from Wichita Falls, TX. on 2/11/2013 \*\*\*\*\* A bold and fun approach - love it! This program is complete. Really, I was skeptical but it's true. The pillar approach leaves no questions about the components of singing. The workouts break the chains of your voice. I have so much freedom now and I never thought I could reach such high notes. Well, I can now! And there are workouts for everyone in there, with guidance, without guidance, with piano and so on. The fitness aspect of singing is covered. The science of singing is covered. The mind in singing is covered. The story of contemporary vocal instructions is covered. There is so much material I cannot list it all here. For every aspect of the term "singing" there is a part in this program, for every level of knowledge there is something new. Even screaming is covered. Love it! And on top of all that the program is presented in a bold and fun manner which makes the videos a pleasure to watch. No B.S.! Just all about singing I could ever wish for. Oh and there is a great forum too. From his posts I see that Robert Lunte is open for all kinds of teachings. He seems eager to always improve his approach if that is even possible. A passionate man. And a passionate product. A product worth every penny! Reviewed by: Lucca Hellriegel from Nürnberg - Germany. on 1/30/2013 \*\*\*\*\* All you'll ever need. This vocal training system is out of this world. Everything you could ever ask for and more is covered in this package. Robert's no nonsense approach helps you focus and most importantly get the job done! If there's something you're struggling with, Robert is just an email away and is committed to every challenge. This isn't just a buy and forget package, it's like having a permanent vocal coach, even from the other side of the world. Steve Tyssen from Australia. on 12/4/2012 \*\*\*\*\* A must have ! Undoubtedly one of the most efficient vocal training in the last years. I used to train with the CVT book then I discovered The four pillars.. As a self-taught singer, Robert's book helped me more in two weeks than the CVT training system in two years. Saying the truth, it's like I am discovering my voice again. Now I can copy whith more ease my favorite singers vocal techniques. Whenever I encounter a vocal issue, I know that I can find the answer I'm looking for in this book. Plus, Robert's advices are for both beginners and more advanced singers. He always go straight to the point, often in funny ways, and doesn't make you waste your time ! The four pillars book will provide you exactly the right amount of technical and pratical stuff to help you to reach your vocal goal. Reviewed by: Thomas Lebeau from Toulouse, France. on 12/4/2012 \*\*\*\*\* Lots of Info! This course has so much information. It really focuses on the scientific and physical aspects of producing sound. Everyone can produce sound, but this course teaches how to get the sound everyone wants and breaks down the steps and elements necessary to reach that goal. If your are serious about acquiring control of your instrument, then you need to know this information. Reviewed by: C Stajduhar from Washington. on 11/6/2012 \*\*\*\*\* Are You A Victim of Do It Yourself Program Hopping?? ... Well this is your final stop right here. All you need to know to sing crazy high, full and boomy!!! All the tools are right here and what do you get when you cross an amazing program with an amazing teacher? that's right you get TVS not only is Robert's program amazing he himself is amazing he will take the time to guide you despite the fact that he is a busy busy busy man that to me shows a sense of passion, a sense of dedication to his students who aspire to sing awesome just like him So stop thinking about it and get the program. every second spent contemplating whether this program is the real deal is a lost deal it is the real deal hands down no other vocal program comes close don't believe me? go to the modernvocalist forums and find out for yourselves there you will find rob's amazing students who became amazing because of his guidance. well worth every penny So I definitely recommend this to everyone and I most definitely recommend it to you :D Reviewed by: Halcyon from Bohol, Philippines. on 10/23/2012 The Four Pillars of Singing is a comprehensive and complete vocal training program. Created by Robert Lunte, the course helps singers to improve their most valuable asset-their voice. It teaches leading-edge methods and techniques.The Vocalist Studio integrates the two singing-teaching methods prevalent in the industry: vocal strength building and mixed singing. Mixing the two methods ensures that one program draws on each's strengths and makes up for the weaknesses of the other.The course shows singers the scientific and practical application of their art. It also incorporates a step by step guide on how to practice and train the techniques taught. The Four Pillars of Singing review will cover the course that is the most comprehensive.The course starts with Robert explaining some of the common myths of singing. This part is essential because it clears a lot of confusion. It gives you the right mindset to complete the course. He also explains vital techniques while giving the students a complete picture of the task ahead of them.The Four Pillars of Singing contains 13 modules, with 175 video sessions filmed by Robert.Vocal Training ModulesThe Four Pillars of Singing course is a product of the Vocalist Studio (TVS), founded by Robert Lunte. The course uses the TVS methodology of training, which mostly involves:Vocal modesVowel trainingBridging of registersSpecialized onsetsSirenOnset exercisesThis unique method that helps singers solve every vocal exercise they encounter.There are 13 modules in total in this course. Some of them include:Training Warm-upsPhysical ModesTraining Onsets & SirensAcoustic ModesVocal EffectsTraining Intermediate DemonstrationsTraining Advanced DemonstrationsLecturesIn these sessions, Robert explains complex theories about music in a straightforward and complete way. He makes sophisticated theories simple enough for everyone to understand. In The Vocalist Studio review, we found the accessibility to be one of the features that make this course excellent.Robert also uses sign languages to express his points, making it easy to understand singing concepts. The course also includes visual aids written in bullet points to show the main ideas in the lectures.Training RoutinesAnother strength of this program is that it includes hundreds of training practices for the singer. The program covers both strength-building and coordination-training.Robert again utilizes his strengths to give you an enjoyable experience while learning. He goes beyond what most teachers do, singing every exercise up and down the scale with you.Usually, most teachers start with the first scale and guide you to the end by playing the piano. With Robert's method, you get demos that guide you in every area.Who Is This Course For?The Four Pillars of Singing course is ideal for any student interested in improving their singing. The course offers all the information a singer requires to make life-lasting progress in their quest to sing better.In The Four Pillars of Singing review, we do highly recommend this course only for singers who are ready to dedicate hours in training and practice. Testimonies from people who have committed time and effort show a lot of positive feedback.This program will bring out your talent and give you the confidence to chase your dreams in singing. If you aspire to be a performer someday, this course is for you.Why You Should EnrollThe course is a well-structured and professionally organized platform for singing. Right from the beginning of The Vocalist Studio review, we noticed the program aims for the best. It makes other courses seem elementary.Upon completing this course, singers will be able to sing in front of big crowds, win auditions, and get breakthroughs in their careers. They will be able to perform amazing gigs and get traction for their singing. Hitting strong and powerful notes should no longer be a problem.Everything you need to learn is in this program.Advantages of the Four Pillars of Singing CourseThis course has multiple benefits because of its high quality, uniqueness, and originality. We have listed some of the advantages below:Hundreds of training routines for singers.Practice makes progress; by the end of the course, singers will have amassed a lot of experience and be ready for the big stage.The online course has quality HD demonstrations and training videos. The Vocalist Studio has invested heavily in the development of this course. The material is high-quality and enjoyable to use for learning.It simplifies profound theories and gives detailed explanations. Robert breaks down even the most complex theories and makes them understandable for learners.Suitable for any skill level or learning pace. The course is helpful to both fast and slow learners.This course is one of the most complete training programs for singers, with lectures and practice programs.The price of the Four Pillars of Singing is affordable compared to its quality.You only need to make a one-time payment to receive lifetime access to the program.Singing students receive the best customer support. Robert himself answers the live chat on their website, so you can expect to receive complete answers.Disadvantages Of The Vocalist StudioAny honest review will alert you to the disadvantages. A couple of items we thought you'd want to know include:The lectures could be too detailed for beginners. New singers may prefer 30 Day Singer since the course is designed for beginners.The learning is intense and could overwhelm some students.The Vocalist Studio only offers a 14 day money back guarantee, so if you need more time to test the course Roger Love's 30 day money back guarantee is a bit more forgiving.Some people don't like Robert's singing style.If you are on a budget, you may prefer a cheaper course like Singorama or Hear And Play Vocal Mastery.If you think another course might be a better fit for you, you can check out our reviews of the best online singing courses.VerdictThe Four Pillars of Singing review found this is among the best vocal training programs on the market. It is complete because it covers every aspect of singing in lectures and training. It is an excellent course if you have a passion for music and want to become a great singer. While it takes sacrifice to become a fantastic singer, this course makes the challenge easier.Follow your passion for music by enrolling for the Four Pillars of Singing course. You'll be amazed by the progress you can make.Want To Try The Vocalist Studio Risk Free Today?The Vocalist Studio offers a free 14 money back guarantee! Try it out for two weeks and see if Robert Lunte's Training is right for you! Try it Risk Free Today!
