The ScummVM emulator should recognize the game and keep it on file for you. I don't normally play sports games that often, but Backyard Baseball really appeals to me. I love how every kid is unique with his or her own personality. When I play this game, it's not just about playing Baseball, but pretending that I have friends in my The project was started by former ScummVM team leader James Brown, and was first publicly available on August 15, 2003. Progress on the project was initially slow, and as a result the project's main goal of supporting Grim Fandango did not occur until April 25, 2011, when the compatibility of Grim Fandango was upgraded to "completable with a few minor glitches". Putt-Putt is a series of children's adventure and puzzle computer games created by Humongous Entertainment. This franchise was Humongous Entertainment's first game (the first game they developed). They primarily involve clicking to get to a destination, although some sub-quests and mini-games involve the keyboard. ScummVM Games (518) X68K ROMs (3240) ZX Spectrum (TAP) ROMs (3604 ...
