Page 2 Request a copy Buy this product Hi, everybody. I begin the analysis at my university (University of Pretoria) next month and the above is our prescribed manual. I was curious to know if someone around here had opinions on how the book treats work and in general only on the quality of the book itself. Thanks in advance!Page 2Posted byu/[deleted]3 years ago 3 comments Add a review and share your thoughts with other readers. Be the first. Add a review and share your thoughts with other readers.
