Can i drive a bus for personal use

Can i drive a shuttle bus for personal use. What licence do i need to drive a bus for personal use. Can i drive a school bus for personal use.

How big than a vehicle can I drive without a CDL? How many miles last school buses? Can I drive an empty bus? How long does a 72 passenger bus last? Can I drive a bus with class A? What bus can I drive? How many passengers before needing a CDL? Do you need CDL for 12 passengers? Can I drive a coach on a car license? Where can I park a bus converted? How much does it cost to transform a school bus to a house? Is it difficult to drive a school bus? How much is a new school bus? As above, to convert to a mobile travel home, some are rather cheap at about 6,000 quids, I need a PSV license, if not transporting fasse passengers for passengers, I can use bus lanes, and where I can park, Campsites will be allowed. Anyone who has had experiences. Published 9 years ago A friend manages a bus company. The maintenance costs in progress make the water of the eye A ¢ â, ~ "and that is with a relatively new fleet. Published 9 years ago once you have converted Get V5 Ammenso from DVLA as Motorcaravan does not need PSV then. I can't To use bus lanes as it is no longer a bus. Campsites, Camping & Caravanning Club are fine, private sites â ¢
