Supercoppa italia 2025

IL REGOLAMENTO ©IPA/Fotogramma Dopo la conferma della sede (l'Arabia Saudita ha ribadito il suo interesse a ospitare la prossima edizione del torneo) è ormai ufficiale anche il nome delle quattro partecipanti alla prossima edizione della Supercoppa italiana: Napoli, Inter, Milan e Bologna. Ancora da definire, però, gli incroci delle semifinali (già previsti secondo il format): tutto dipenderà dall'esito della finale di Coppa Italia e da chi vincerà il campionato. Ma riepiloghiamo tutto: cosa dice il regolamento e come funziona il meccanismo GUARDA TUTTI GLI HIGHLIGHTS DI SKY SPORT Il format prevede che a partecipare siano le prime due classificate della Serie A e le finaliste di Coppa Italia. Il verdetto è certo. Per quanto riguarda la coppa, Milan e Bologna sono le due finaliste che hanno già staccato il pass Supercoppa da qualche settimana. Mentre in campionato è ormai sicuro che il primo e secondo posto sarà occupato da Napoli e/o Inter. Con i risultati dell'ultimo turno di A (la 36^ giornata) è infatti aritmeticamente impossibile un recupero dell'Atalanta, che si trova a -6 dall'Inter (ma sotto negli scontri diretti) e a -7 dal Napoli, il tutto a due giornate dalla fine del campionato. Ecco perché il quadro delle quattro è definito. Ma ripassiamo il format della final four, ripetiamo: questo è lo schema delle quattro partecipanti Vincitrice Serie A Vincitrice Coppa Italia Seconda classificata Serie A Finalista Coppa Italia Andando ancor più nel dettaglio, il format prevede già un incrocio "predefinito" nelle due semifinali ma - per capire come Napoli, Inter, Milan e Bologna si incroceranno - è necessario attendere l'esito della finale di Coppa Italia e di chi vincerà il campionato Semifinale 1: vincitrice Serie A vs finalista Coppa Italia Semifinale 2: vincitrice Coppa Italia vs seconda classificata Serie A Le quattro squadre sono già definite, ma è bene sottolineare cosa dice il regolamento completo in caso di sovrapposizioni tra prime due posizioni di campionato e finaliste di Coppa Italia. Ecco l'estratto: "Se la vincitrice e/o la seconda classificata in campionato corrispondono a una o entrambe le finaliste di Coppa Italia in Supercoppa subentrerebbero la terza ed eventualmente la quarta classificata della Serie A". Uno scenario ormai impossibile per la prossima edizione. Questo lo schema di selezione, in ordine: Vincitrice Serie A Vincitrice Coppa Italia Seconda classificata Serie A Finalista Coppa Italia Terza classificata Serie A Quarta classificata Serie A Mentre la Società di Serie A - riunite in Assemblea - avevano già da tempo deliberato il format a 4 squadre per la prossima Supercoppa, l'Amministratore Delegato Luigi De Siervo ha recentemente confermato di aver ricevuto l'interesse degli organizzatori arabi di Sela per ospitare la prossima edizione. In Arabia si sono giocate 5 delle ultime 7 edizioni. Quest'ultima ha acquistato i diritti per ospitare due delle future quattro Supercoppe italiane: avrebbe potuto scegliere di "saltare" un anno, ma ha confermato la volontà di ospitare l'edizione della prossima stagione.
