En Çok Dinlenen İlahiler Born in Lebanon and raised in Sweden, R&B singer Maher Zain celebrated contemporary artists. • Although he earned a degree in aeronautical engineering, Zain entered the music industry after college and worked in NYC alongside famed producer RedOne (Lady Gaga, Usher, Pitbull). • After returning home and reconnecting with his faith, he decided to pursue a career as a musical artist, releasing his debut album, Thank You Allah, in 2009. • The joyously reverent Thank You Allah quickly found fans throughout the Muslim world, particularly in Malaysia and Indonesia, where the album went multi-Platinum. • In 2011, Zain's plaintive ballad "Insha Allah" was nominated for Best Malay Song Performed by a Foreign Artist at the Anugerah Industri Muzik—Malaysia's equivalent of the Grammy Awards. • He performed in front of the Swedish royal family in 2017 as part of the country's annual National Day celebration. Brains, banter, and a bit of drama - book time with this iconic trio sure to leave you HighKey obsessed! Launching May 30th. НерРгіvасу РоlісуТеrms of Use En Yeni ilahiler Махер Зейн (араб. ماهر زين, родился 16 марта 1981 года в Триполи, Ливан) — шведский R&B певец, автор песен и музыкальный продюсер ливанского происхождения. Его дебютный альбом "Спасибо Аллаху", международно успешный альбом с сильным мусульманским религиозным влияниям, был выпущен в 2009 году. Он выпустил свой следующий альбом "Прости меня" 2 апреля 2012 года.Первым источником музыкального вдохновения Махера (Maher Zain) стал его отец, который и сам был певцом, выступавшим в красивом средиземноморском городе Триполи (Ливан). Будучи очарованным музыкой и различными инструментами, Махер получил свои первые клавишные в возрасте 10 лет, и с тех пор музыка официально стала частью мира Махера. Семья переехала в Швецию, когда Махеру было 8 лет; там он продолжил свое обучение, а позже поступил в университет и получил степень Бакалавра по специальности Авиационное машиностроение. Мир вокруг него беспрестанно преображался, но одна вещь осталась неизменной - его сильная страсть к музыке. Он мог проводить поздние вечера в школе со своими друзьями, где они пели, читали рэп, сочиняли и всячески экспериментировали с музыкой. Очень скоро Махер понял, что музыка стала неотъемлемой частью его самого. После того, как в Швеции на непродолжительное время он погрузился в музыкальную индустрию в качестве музыкального продюсеру, который быстро достигал успеха в шоу-бизнесе Швеции. Махер начал работать вместе с RedOne и со шведскими артистами, а затем переехал с ним в Нью-Йорка, работая с известными топовыми исполнителями например, над дебютным альбомом Kat Deluna. RedOne стоял на пороге большого успеха - он готов был начать работу с такими артистами как Akon, Lady Gaga, Enrique Iglesias, Brandy и стать одним из самых востребованных музыкальных продюсеров в мире. Махеру, однако, было очень неспокойно и, в конце концов, он решил, что шоу-бизнес и все, что его окружает - это не место для него. Оставив позади прибыльную карьеру в музыкальной индустрии Нью-Йорка Махер хотел создавать музыку, которая отражала бы его корни как европейца, араба и мусульманина. С этой целью он вернулся в Швейцарию, где начал работать с Awekening Records (которая раскрутила британского исполнителя нашидов Сами Юсуфа), чтобы вдохновить молодежь во всем мире. В начале марта 2010 года его дебютный альбомом на Атагоп (в разделе музыка мира). Махер к тому времени провел уже концерты в Швеции, Канаде, Австралии, США, Великобритании, Франции, Египте, Алжире и Бахрейне. В январе 2010 года в музыкальным в качестве одного из основополагающих голосов современных мусульманских песнопений после его новаторского анимированного клипа "Палестина будет свободной", его музыкального клипа "инша Аллах", снятым в Лондоне под руководством известного британского режиссера Майка Харриса Махер Заин поднял современные исламские нашиды на новый уровень. Наконец, Махер Зейн понял, что теперь его очередь помогать другим, с помощью своих нашидов: «Если бы я хотел что-то сказать людям - так это то, что очень легко увидеть правильный путь, если мы просто откроем глаза и внимательно приглядимся; так это случилось со мной».
